MOKENA, WILL COUNTY, ILLINOIS 10¢ PER COPY

BETTY LEHMANN (right), daughter of Mr. and Mrs. Fred H. Lehmann, of Mokena, is shown with her partner, Miss Chandana Bannerji in the Manipuri dance, "Khumba Thoibi."

Mokena Girl Takes Part In Hindu Dance Recital

A Mokena girl was a recent participant in the spring festival dance recital of the Bharatiya Nritya Kala Mandir, at Patna, Bihar, India, and won high praise for her performance.

She is Miss Betty Lehmann, who took leave from McMurray college last fall to go to India for a six month's stay at Patna, where she is studying dancing and the Hindi language.

The recital attracted a large number of spectators, including the governor of Bihar and the minister of public works. Other American students on the program were Jane Thomas, of Philadelphia, and Gerard Gold, of West Englewood, N.J.

The newspapers that covered the event were quite complimentary. The English language Patna Searchlight described the recital as "impressive" and "successful to a great extent." It added that the Manipuri "Khumba Thoibi" by Betty Lehmann and Chandana Bannerji "was lustily cheered."

Manipuri is one of the classical styles of Indian dancing and originated at Manipur, a province on India's border with Burma.

The performers are accompanied by drummers and singers, and the dance acts out stories from the Hindu mythology.

Democrats To Meet Sunday In Rutledge School

The Frankfort Township Democrat organization is sponsoring a meeting Sunday afternoon in the Ann Rutledge school, Lincoln Estates.

Theodore Nijankowski, president of the local organization, said the meeting would begin at 3 o'clock.

All of the Democratic candidates in the April 14 primary have been invited and candidates of the Regular Democratic Organization will speak.

Refreshments will be served.

Mokena Lions Hope Egg Hunt Goes Sunday

Easter's snow storm forced cancellation of the annual egg hunt sponsored by the Mokena Lions club, and so the affair will be held this Sunday afternoon, April 5, beginning at 2 o'clock. At least those in charge hope that the hunt will be held this Sunday.

The hunt, as usual, will be held in Mokena Community park with certain parts restricted to use of the younger children.

Dogs Will Be Inoculated At Village Hall

A reminder in the form of a postcard was sent to dog owners in Mokena this week by the village board advising them that Dr. Thomas Gunhouse would be at the village hall Saturday from 2 to 5 p.m. to inoculate dogs against rabies.

At the same time dog owners can purchase license tags from Village Clerk Alvin Sorensen. According to ordinance a dog owner must show proof that his pet has been inoculated against rabies before a license is issued. The license fee is \$2.

Town Electors To Pass On Annual Budgets Next Tuesday

Next Tuesday, April 7, is the date for the annual town meetings. The town meeting is the oldest form of popular government still in force in these United States in those areas where townships survive.

The town meeting, as the name implies, is held for the conduct of township business in which the public has a direct voice. The annual budget covering general operating expenses of the township, the budget covering aid to those in need, this year for the first time, a budget prepared by the highway commissioner, are submitted to the electors at the town meetings.

It is thus up to the voter to approve or disapprove of the appropriation ordinances and the tax levies proposed by the town officers authorized to make such. In the case of highway appropriations it is the highway commissioner that makes the levy.

One of the questions sometimes heard is, "who makes the levy for township road and bridge purposes, the electors at the annual township meeting or the township highway commissioner?" Maurice W. Scott, executive secretary of the Taxpayers Federation of Illinois states that the statute still gives this duty to the highway commissioner, but along the way he must get approval of the electors at the annual town meeting. Heretofore, the highway commissioner's budget was brought up in the fall.

For the first time highway commissioners should have prepared a tentative budget and appropriation ordinance and filed same with the town clerk at least 30 days before April 7. The town clerk had the duty of making the tentative budget and appropriation ordinance available for public inspection for the 30 days. Two hearings must be held on it, the first on the last Tuesday in March before the township board of auditors, and the final hearing at the annual town meeting.

The electors at the town meeting then have the duty of approving the levy (they do not make it) of all or any part of such estimated amounts as they deem necessary, provided that the amount so approved is not reduced below the amount produced by applying the legal tax rate to the equalized assessed valuation, unless a

lesser amount has been approved and recommended by the township board of auditors.

Having obtained such approval the highway commissioner shall certify, on or before the first Tuesday in September, the amount so approved (certificate of levy) to the county board as the necessary amount to be raised by taxation for road purposes in that township. In every township county such certificate actually is filed with the county clerk, and at the regular September meeting of the county board the clerk presents these certificates for approval. In most instances such approval is a formality.

The electors at the town meeting have their usual duty but the above highway procedure

is a new duty which became effective Jan. 1, 1964.

Cities and villages within a township share in the road and bridge tax—substantially town officials declare.

Town meetings, however, are not largely attended as a general rule.

The meeting at New Lenox will be held at 2 p.m. next Tuesday in the basement of Grace Episcopal church, Hickory and Pine streets.

The meeting in Frankfort township, at the same hour, will be held in the Cooper and Hostert garage, 11020 Front st., Mokena.

The town meeting in Orland township will be held at 7 o'clock next Tuesday night in the Orland Park village hall, on Beacon st.

Brumund Withdraws From States Attorney Race

Paul F. Brumund, of Joliet, has withdrawn as a candidate for the Republican nomination for state's attorney.

The announcement was made after he and his wife had returned from the Mayo clinic where they had taken their 12-year old daughter, Mr. Brumund said that he desires to devote as much time as possible to his family.

"I cannot do that," he said, "and at the same time carry on an active and time consuming campaign which my friends and supporters are entitled to, nor could I now do justice to the office of state's attorney if the voters of this county saw fit to elect me."

"It has been the most gratifying experience in my life to have so many fine people and friends come to my support and work so hard on my behalf. It is because I am so eternally grateful to all my supporters that I find it so painful to make this announcement."

"I thank all who have supported me and I trust this decision will have their sympathetic understanding. I thank my opponents for their fair and honest campaigns, and for their expressions of sympathy during these difficult days."

Since the ballots are already printed Brumund's name will appear thereon.

The other two candidates for the nomination for state's attorney on the Republican ticket are Louis Bertani, of the law firm of Krusemark and Bertani, and George O'Brien, a member of the law firm of Gray, Thomas, Wallace and O'Brien.

The Democrat nominee will be George E. Sangmeister of Mokena.

THE GEORGE ELSNERS of Frankfort will celebrate their 50th wedding anniversary at an open house to be held at St. Peter's United Church of Christ, April 5, from 2 to 4:30 p.m.

George Elsner married Minnie Scheel in Chicago March 31, 1914. Farming then, Mr. Elsner is still actively engaged in farming. Mrs. Elsner is a charter member of the Amite Club, a charter member of the Homemakers Extension Unit and both are members of St. Peter's United Church of Christ.

A daughter, Mrs. Robert Porter and son, G. Robert Elsner will assist at the reception. Porter Photo

Postpone School Bond Election At New Lenox

Because of some technicalities that have arisen the New Lenox grade school board has postponed the referendum on a proposed \$306,000 building bond issue. It had been intended to have the referendum on the same day as the regular school election, April 11. Now it will be later.

When the voters go to the polls April 11 it will be to ballot on candidates for the board of education. Three are to be elected and there are nine candidates, Robert F. Facinelli, John S. Lakovich, James E. Hearn, Jr., Victor A. Tinley, Gordon E. Cox, Harry W. Hobbs, James F. Pollock, Victor K. Miller and Robert K. Reynolds. None of them are incumbents. It is possible that the vote on

the bond issue will be held later this month. Technicalities involved include notice of election and there was also a question relating to the site, it was said, which necessitated postponement.

It is proposed that an additional building be erected on the Oakview site to meet the needs of a growing school population. In the past year the New Lenox district has grown substantially. Coupled with this is the fact that the area population has been gaining and experts predict further growth.

It was pointed out that a school district can't wait until an enrollment reaches a definite figure before building because a school plant cannot be erected in a month.

Two East Indians Will Speak At Marley Church

Two natives of India, E.P. Menon and Satish Kumar, now in the United States on a "peace walk," will speak at a meeting in the Marley Baptist church tomorrow night (April 3) at 8 o'clock.

They started on their mission as ambassadors of peace from Delhi, India, in June 1962, and since then have covered 12 countries, including Russia, Germany and England.

They arrived in the United States last December and are now making their way to California. They will sail from the west coast for Hong Kong and from there will go to their homeland.

They express strong, individual concern about the world situation and would have "everyone rise up and act to make the world peaceful, prosperous and happy." Their appearance in the U.S. is sponsored by the Committee for Non-Violent Action, of New York City.

The two will be guests of the Fred Lehmanns, of Mokena, this week-end and hope to meet many people in the area during their stay.

The meeting at Marley is open to the public and the young men said they would welcome questions.

St. Mary's Spring Frolic To Be Held Sunday Night

Sunday evening, April 5, St. Mary's church, Mokena, will hold a dinner and dance at Valley View Farm Restaurant, east of Wolf road on Rt. 30. The "Town and Country" cocktail hour will be held from 6 to 7 p.m. "Dinner in the Country" will be held from 7 to 10 p.m.

There will be dancing in the Hayloft Room from 9 p.m. to midnight, accompanied by a five piece orchestra. For those who wish to relax and listen to melodies, a combo and a quartet will be on hand in the Annex Room.

Wear your new spring ensemble as you may win a prize. Tickets are \$5 per person, including tax and gratuity.

Monies derived from this affair will be used for St. Mary's building fund. Pastor of St. Mary's is Father Cecil Koop, OFM. Chairman of the Spring Frolic dinner and dance is Joseph Bernardin, Mokena. His committee consists of Messrs. Jerry Nelson, Arnie Lawson, Les Daniels, Harold Beebe; also Mmes. Irene Kluth, Norma Elias, Mary Stamiez, Betty Malloy, Mary Halfacre, Pat

Flynn, Joey Koester, Jean Sagan and Charlotte Blaese.

HIRED -- Gwendolyn Judith Doering, 198 E. Oakview, New Lenox, a member of the 1964 graduating class of Eastern Illinois university, Charleston, has been hired by the Lockport high school as a physical education teacher, it was announced by James Knott, director of placement for Eastern. Miss Doering, daughter of Mr. and Mrs. Harold K. Doering, was graduated from Lincoln-Way high school in 1960. (Bertram photo)

Assessors Get Tables Of Personal Property Values

Beginning yesterday, April 1, the township assessors of Will county began their evaluation of personal property which will be used in establishing tax bills for 1964 collectable in 1965.

The assessors also will make note of improvements in real estate that have taken place since the quadrennial assessment made last year on which this year's tax bills will be based.

At a meeting of the assessors conducted last week at the courthouse in Joliet presided over by John Houlihan, chief deputy county treasurer, the importance of uniformity in personal property tax assessments was emphasized.

The assessors were instructed to assess boats, airplanes and advertising signs this year. This will be the first time such items have been assessed.

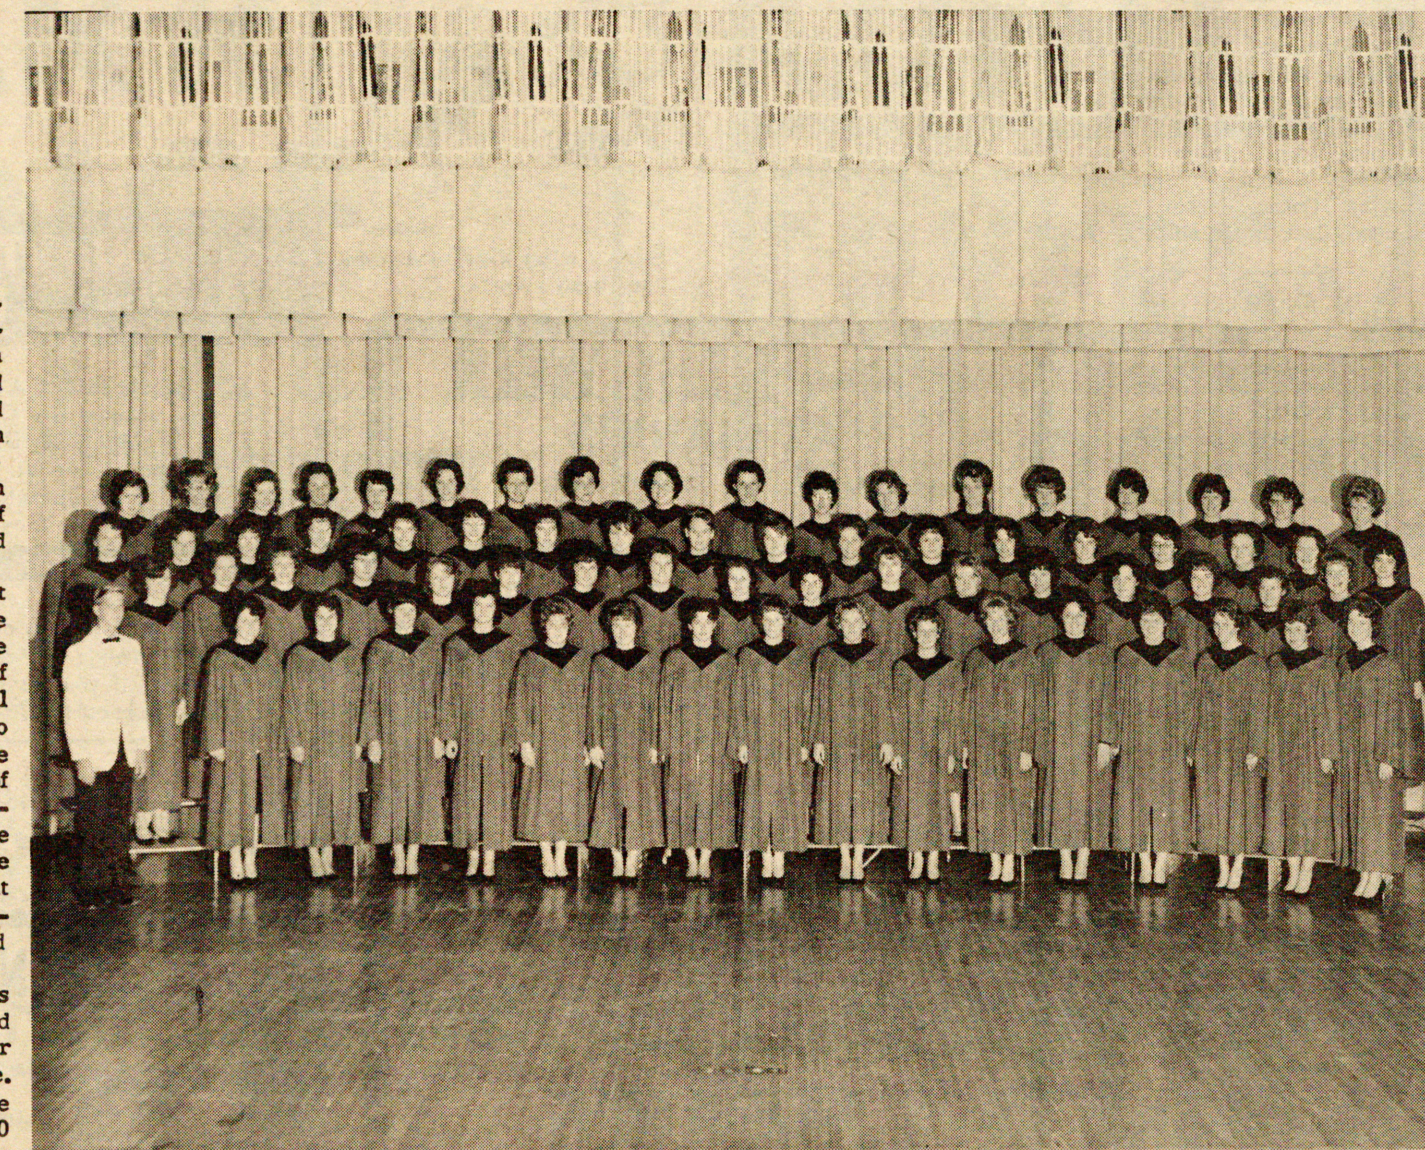

Owners of boats and planes are listed with the secretary of state and his office in turn is furnishing counties with such lists, just as the secretary of state's office furnishes counties with lists of automobile and truck owners. Planes and boats are to be assessed in the townships in which the owners reside, not where they are kept.

Joseph W. Herbst, deputy supervisor of assessments, furnished the assessors with a schedule of automobile and truck valuations. Herbst said the schedule was of his own devising because the state personal property guide valuation figures were considerably out of line compared with figures used last year.

In the case of trucks Herbst used weights listed on state registration cards or license applications. In the case of American made cars they will be scaled down from 1964 to 1957. All older cars will be given a minimum valuation of \$80. For example Ford, Chevrolet, Plymouth and Dodge sixes of 1964 vintage will be valued at \$1,100 and eights at \$1,200; on 1962 models the valuations will drop to \$810 and \$940 respectively.

After some discussion it was decided to assess grain and cattle the same as last year and the same for furniture. In the case of furniture the minimum valuation is to be \$80 and the maximum, \$200.

The assessment books for 1964 were handed out to the assessor by the county clerk's office; also dog tags.

"KNIGHT LIFE" sponsors are these members of the Girls Chorus at Lincoln-Way high school but is no secret that most of them will appear in far different garb than they are wearing here. "Knight Life", the annual variety show given by the chor-

us, is to be staged Friday and Saturday nights, April 3 and 4, in the school auditorium. They say some of the South Sea scenes are quite glamorous. Tickets will be available at the door, 75 cents for adults, 35 cents for students. (L-W Photo)

Golashes And Overcoats Featured Easter Parade

Snow, cold, high winds and icy roads made this Easter one that will be remembered for many years.

There were scores of mishaps involving motorists but because the weather was so bad drivers for the most part were traveling slowly when accidents did occur and no fatalities were reported in the area.

There were cars off the road along U.S. 45 and U.S. 30 and many motorists became stranded and found shelter where they could and resumed their travels Monday.

Chicago and the northern suburbs drew more snow than did the territory to the south.

In this area the snowfall from one to two inches whereas to the north six, seven and eight inch falls were reported. Sunday afternoon, however, there was some warming, followed by a drop in temperature that left

many roads slick and treacherous.

Bad weather has spoiled many an Easter parade and the variety loosed last Sunday reminded old timers of the Easter of 1920 when a six-inch snow disrupted traffic in Chicago and towns to the south. Trains and street cars were knocked out. At that time the southern suburbs were also hard hit, with more snow falling in this area than in Chicago.

Anyone who has lived in this region for any time, however, is not surprised to see snow and cold in March and April. As a rule both are shivery months and there have been times when heavy frosts have ruined budding gardens in May.

Rising temperatures made short work of the snow in this area on Monday and streets and highways freed of ice.

Frankfort

Honor Couples At Detroit On Wedding Anniversaries

MRS. KATHARINE HEISNER
Telephone: 469-5187

Last Saturday evening a double surprise celebration was held when relatives from here motored to Detroit to celebrate the 35th wedding anniversary of Mr. and Mrs. Floyd Lankenau and the 20th wedding anniversary of the Howard Osmuses (who were also surprised).

Those who went from here were: Mr. and Mrs. Herbert Lambrecht, Mr. and Mrs. Paul Lambrecht and family, Miss Viola Lankenau, Mrs. Henry Breidert, Mr. and Mrs. Burton Breidert and son Robert, Mr. and Mrs. Edward Warning, Mr. and Mrs. Fred Kohlhausen and Mr. and Mrs. Howard Osmus and sons, Kim and Richard.

All dined on Saturday evening and the families of Dale Warning of Farmington, Mich.; Jerry Lankenau of Wayne, Mich. and Mr. and Mrs. Floyd Lankenau joined them. Later, the group went to the Dale Warning home for a social evening.

The group returned home on Sunday except the Edward Warning's, Miss Viola Lankenau and Kim and Richard Osmus, who came home Monday.

Dr. and Mrs. O. J. Novota returned home March 19 after spending 8 days vacationing in Jamaica. The trip was made by jet. Miss Norma Burmeister stayed with the children during their parents absence.

Easter Sunday the Novota family were dinner guests of her parents, Mr. and Mrs. Herman Boettcher in Chicago.

Rev. and Mrs. James Parker and daughter Ann Carol returned home last Wednesday after visiting for several days with his mother, Mrs. William Parker and his sister and brother-in-law, Mr. and Mrs. William Satterlee, all of Akron, Ohio.

The American Legion auxiliary meet at the school Thursday, April 9 at 8 p.m. Mrs. Charles McManimen will preside at the meeting.

Hostesses are Mrs. Frank Folisi and Mrs. Larry Vaughn.

The Frankfort Community grade school PTA meeting is scheduled for Wednesday, April 8 at 7:30 p.m. Mrs. Leonard Patterson will preside at the business meeting.

A film "The Purple Turtle" will be shown, program topic "Art in the Elementary School."

Refreshments will be served by the 1st grade mothers Mrs. Robert Keener and Mrs. Edward Belz.

The Barton family of St. Louis spent the Easter week-end with the Lynn Kohlhausen family. Sunday they celebrated the 12th birthday of the latter's son, Thomas.

Mr. and Mrs. LeVerne Mark left Monday for their new home at 916 Spring Lane Rd., Bailey's Crossroads, Va. (Apt. 42).

Mr. and Mrs. Howard Osmus entertained 20 members at a family gathering in their home Easter day.

Mr. and Mrs. Kenneth Hellriegel are the parents of a girl, Catherine Mary, born March 19, at St. James hospital.

Word was received last week-end by the Harry Millers of the sudden death of his brother, Ralph Lusz, 51, of Amboy, who died suddenly of a heart attack while at the wheel of the grade school bus filled with children. He pulled to the side of the road and stopped the bus, slumped over the wheel and was pronounced dead when help arrived. Funeral services were held last Saturday at Amboy.

Survivors beside his wife are one daughter, 3 sons, 1 sister, Mrs. Lolita Godby of Springfield; 6 brothers.

Those from this area attending the funeral were: Mr. and Mrs. Harry Miller and daughter Lorna also Mr. and Mrs. Martin Miller and Mr. and Mrs. Roger Corp of New Lenox; Mr. and Mrs. Lyndell Miller of Lansing and Mr. and Mrs. Howard Miller of Seattle, Wash. who flew here to attend the funeral and remained in Frankfort over the week-end.

Tuesday night, March 24, the Rainbow Council's annual recognition banquet was held at the Kankakee Civic Center and a Scouters Key was awarded to Fred Coleman, ass't district

commissioner.

Mr. and Mrs. Lester Heisner and son Douglas and Mrs. Katharine Heisner spent Easter day as dinner guests of Mr. and Mrs. Joseph Ficker at Tinley Park.

Also attending were Mr. and Mrs. George Mager of Joliet.

Mr. and Mrs. Delbert Seemann entertained about 20 dinner guests on Easter.

Mrs. Albert Borms entertained 20 relatives and friends at Easter dinner at 5 p.m.

A coffee for Louis R. Bertani, candidate for the Republican nomination for state's attorney in the coming primary, is to be held in the home of Albert H. Krusemark in Frankfort, Sunday, April 5, from 4 to 6 p.m. All Republican voters in Frankfort and Green Garden townships are invited.

Top Officer Of Legion Auxiliary To Visit Here

MRS. SHERMAN KNOX
Telephone FI9-0211

Virginia Bissotto, 8th District director of American Legion auxiliary, will be guest of the Orland Unit #526, when they meet Tuesday, April 7 at 8 p.m. at the home of Bertha Nicolai, on West ave.

Refreshments will be served.

Wednesday, April 8 at 10 a.m., the cancer dressing group will meet in Wesley Hall of the Methodist church. Those planning to be there during the luncheon period are asked to bring a sandwich. Hostesses will serve coffee and dessert. Mrs. Harry Pihl is chairman of the group. Any woman interested in this project are welcome.

The Ladies Aid of Christ Lutheran church is conducting a rummage sale, Wednesday, April 8 from 7 to 9 p.m. and Thursday, April 9 from 9 a.m. to 1 p.m. Sale will be held in the church school building.

The Orland Park public library would like to invite all children between the ages of four to eight years of age, to a story hour at the library, April 4 at 11:30 a.m.

The story will be told by Miss Nancy Gilroy, a student at Carl Sandburg high school.

Fire calls during the past week:

Monday afternoon a grass fire at 159th and 91st ave.

Tuesday morning a grass fire at 80th ave. and Forestview dr.

Thursday morning a first aid call at 10258 Huntington for Gene Best, who fell on the ice and broke his leg. The rescue squad took him to Silver Cross hospital.

Sunday morning a three car accident at 140th and Southwest highway. Mr. and Mrs. John Reiginger of Hazel Crest who were injured, were taken to Dr. Romanos for treatment, by the rescue squad. The Orland police handled the rest of the injured. The monthly movie entitled

Good Shepherd Lutheran, Rev. Erwin Baumgartner, pastor. Sunday school - 10:15 a.m. Worship service - 9 a.m.

Tuesday, April 7 at 1:15 p.m. Ladies Circle at the church. Mrs. John Ball will preside at the business meeting. Rev. Erwin Baumgartner will be in charge of the program and devotions. Hostesses are Mrs. Otto Cohrs and Mrs. Frederick Uthe.

Mr. and Mrs. Elmer Sievert of Frankfort wish to announce the cancellation of their 25th anniversary dance which was to have been held April 11 at the Atrium building in Peotone. This is due to the sudden death of her father, Groege Seggebruch, 71, who died suddenly March 27 at his home in Monee. The funeral was held Tuesday at St. John's United Church of Christ in Monee.

SCHOLARSHIP COMMITTEE of the Will-Grundy County Medical Society discusses plans at a recent meeting at Holiday Inn, Joliet. Left to right (seated) Dr. Robert Keener, Frankfort; Dr. William DeWitt, Dr. John McLaughlin, both of Joliet, and Dr. John Roth, of Morris; (standing) Dr. James Lambert and Dr. Charles Hoffman, both of Joliet, and Robert Best, Mokena, director of the Aesculapian Association. Initial purpose of the meeting was to establish the need of such scholarships. Secondly, the committee plans to develop a program to encourage promising students to become a member of the medical profession or one of the allied fields. At the present time, it was brought out, there is a need in the area for more physicians, nurses, occupational therapists, psychiatric social workers, medical technologists, dieticians, clinical psychologists, x-ray technicians, dentists and pharmacists.

Lincoln Estates

Five Seek 3 Places On Rutledge School Board

MRS. EMIL WILLE

Telephone 469-5277

The annual school election for members of the board of education of the Ann Rutledge school will be held Saturday, April 11 at the school. There were five petitions filed for the three offices to be filled. Three of these are incumbents. They are Mrs. Dwight (Jessie) Nicholson, Sam Griggs and Lee Gerick. Bud Scheeler and Robert White are also on the ballot.

Michael Edward Zum Mullen, son of Mr. and Mrs. Albert Zum Mullen was confirmed Palm Sunday at St. John's Lutheran church, Country Club Hills.

A dinner was served to about 35 guests in the Zum Mullen home. Those present were: Mr. and Mrs. Otto Cohrs of Frankfort, Mr. and Mrs. Albert Hecht of Flossmoor, Mr. and Mrs. Fred Zum Mullen and Mildred, Mr. and Mrs. Philip Zum Mullen of Homewood, Mr. and Mrs. Frederick Zum Mullen and family of Tinley Park, Daniel Grant of Worth, Mrs. Luella Tyler, Mr. and Mrs. Joe Machtemes and family and Mr. and Mrs. John Tyler and family of Lincoln Estates.

Mrs. Otto Niedringhaus was the guest of honor at a surprise birthday luncheon at the home of Mrs. Dwight Hicks on Tuesday, March 17. Guests were Mrs. Gerald Sluiter, Mrs. George Schaefer and Mrs. J.C. Vaughn.

Carol Jones, a junior at Lincoln-Way high school, was inducted into the National Honor Society Friday, March 20. This society is for juniors and seniors with high standings in character, service and leadership and scholastic grades. A tea was held for the parents and students.

Mrs. Robert Wheeler, Mrs. Dennis Wheeler and Mrs. Dave Schuelke were luncheon guests of Mrs. Robert Christie of Palos Park last Thursday.

Charles Jones attended funeral services for his uncle, Elmer Swaim at Fairmont, Ind. on Friday, March 20. Mr. Swaim passed away Sunday March 16 at Wabasso, Fla. where he and Mrs. Swaim had been spending

the winter. The body was shipped to Fairmont, their hometown, for burial.

Mrs. Fred Wiegel has returned home from St. James hospital where she had been a patient for observation and medical treatment.

Mrs. Emma Geiger and Mrs. George Kaehler attended a luncheon at the home of Mrs. Martha Braun at Oaklawn Wednesday.

Jim Wiegel, a student at Valparaiso university is spending Easter vacation at home with his parents, Mr. and Mrs. Fred Wiegel. Their daughter, Judy, also a student at Valparaiso, is spending her vacation visiting friends at Boston, Mass.

The Lincoln Lassies 4-H club met at the Ann Rutledge school Friday, March 20. Barbara Harwood gave a talk on the use of buttons and snaps on garments. Elaine Urbano demonstrated the proper way to set the table.

The girls decided on their act for share the fun night and started to practice.

Refreshments were served by Linda Harwood and Frances April.

Patrick Flynn, son of Mr. and Mrs. Edward Flynn, a seventh grade pupil at St. Mary's school of Mokena, took part in the district spelling contest which was held in Mokena March 18 and came out top winner. He will take part in the country contest April 4 at the Pershing school in Joliet.

Hold Conformation Rites For Children At Trinity

DOLORES ANDERSON
 Telephone 485-3651

Sixteen girls and boys were confirmed Sunday morning at services held in Trinity Lutheran church. They are, William H. Hagen, Robert E. Newsome, Thomas Eugene Hagan, Donn G. Wescott, Ronald Wescott, Richard William Peterson, Charles Edward Sellers, John Edward Minger, Paul Moenck, Cynthia Holm, Sharron Grace Allen, Connie Jean Daum, Sharon Rae Reeser, Janice Beth Brockman, Susan Carol Steinbrenner, and Joan Denise Dau.

Plans were made at the March meeting of the New Lenox Riding club for their annual banquet to be held Saturday, April 18, at Bruns Restaurant. Edward Falk is chairman of the affair, and the annual election of officers will be held at this time. Reservations must be in by April 13.

Donald Warning served as auctioneer for the White Elephant sale, and those serving on the refreshments committee were Mr. and Mrs. Bob Hafk, Mr. and Mrs. Edward Morrissey, and Tommy and Bonnie Saxton.

Miss Dotte Jean Anderson, with a group of teachers from Wilson school in Chicago Heights, left Thursday afternoon for Daytona Beach, Fla., where they will spend a ten day vacation.

Miss Beverly Guildenzoph Easter vacation from her studies at Illinois State university at Normal, here with her

parents, Mr. and Mrs. John Guildenzoph last week.

St. Jude's Parents Club will meet in the school hall Thursday, April 2 at 8 p.m. The sisters and teachers will be in their rooms at 7:30 to talk with parents and display the children's work.

Election of officers will be held for the coming year, and refreshments will be served by the first grade mothers.

Mr. and Mrs. Hugh Allen, 143 Roberts Rd., New Lenox, entertained in their home Sunday of last week, honoring their daughter Sharron who was confirmed in Trinity Lutheran Church that morning.

Those attending the affair were her maternal grandparents, Mr. and Mrs. John Ewert of Chicago; Mr. and Mrs. Arnold Brieschke and family of Berkeley, Ill.; Mr. and Mrs. Don Johnson and family of Glendale Heights, Ill.; Miss Ruth Daus, Chicago, and Mr. and Mrs. Carl Sarenen and family of Elmhurst.

The women of Grace Episcopal church will meet at Silver Cross hospital Thursday, April 9 for an all day sewing session. Those attending will have lunch at the hospital cafeteria.

Mrs. Erma Larsen will be in charge of games for the annual Spring card party and bakery sale to be held Wednesday, April 29 at one in the Episcopal church hall. All games will be played.

The women's guild of the church are sponsoring the annual event.

Mr. and Mrs. Len Warning returned home Sunday from a weeks vacation spent at Corvallis, Ore. with their son John who is a junior student at Oregon State university. They made the trip by train.

The New Lenox Band Boosters will meet Tuesday, April 21 at 8 p.m. in Oakview school.

State band contest for the New Lenox grade school band soloists, and ensembles, will be held at Dixon, Saturday, April 25.

St. Jude's Parents club will sponsor a fish fry Friday, April 10 in the school hall. Carryout dinners will be available. A bakery sale is to be held during the supper. Tickets for adults are \$1.10, children 70¢.

Chairman are Mrs. Cecilia Wingate, dining room; Mrs. Anita Handorf and Mrs. Shirley Huttenhoff, kitchen; and Mrs. Dolores O'Neill bakery.

Friday, April 3 at 1 p.m., "Luncheon is Served" sponsored by the Deborah Circle of the Methodist church in Fellowship hall.

Friday, April 17, rummage sale in Fellowship hall, sponsored by the Ruth Circle of the Methodist church.

Sunday, April 5, the Rev. Ralph L. Miller a former pastor of the Methodist church here, who is now executive secretary of the board of missions, will be guest speaker at the Sunday service. In Fellowship hall following the service a pot-luck dinner will be served to greet the Millers. Those attending are asked to bring a hot dish to pass, a salad or dessert according to the size of your family and table service. Drinks will be provided. Mrs. Edward Seivert is chairman of the dinner.

St. Jude's Altar and Rosary will sponsor a style show at Providence high school April 16 at 8 p.m. Door prizes will be awarded.

Tickets will be available through the Altar and Rosary members and also at Providence high school the evening of the show.

BOARD CANDIDATES
 Nine men have filed their petitions as candidates for the Board of Education for New Lenox school district 122. There were no withdrawals. The candidates are: Robert F. Facinelli, John S. Lektorich, James E. Jearns, Jr., Victor A. Tinley, Gordon E. Cox, Harry W. Hobbs, James F. Pollock, Victor K. Miller and Robert K. Reynolds.

Three vacancies on the school board will be filled at the election to be held Saturday, April 11 at the Haven public school. Polls will be open from 12 noon to 7 p.m.

GRADE SCHOOL WRESTLERS from the New Lenox district scored 82 points to win the Lincoln-Way area mat meet held at the high school. In the front row are the managers (seated). Left to right they are, Bernard Baldauf, Dave Crowder, Dennis Baldauf, Roger Braley; kneeling (left) Stan White, 2nd place in 79-lb. class and Kevin Bachman, 1st place, 70 lbs.; third row, beginning at the left: Cranston Pollock, 3rd place, 79 lbs.; Danny Bedenbough, 3rd, 87 lbs.; Dave Pollock, 3rd, 95 lbs.; Harold Webb, 2nd, 103 lbs.; Marty Bachman, 2nd, 95 lbs.; Bill Clark, 3rd, 70 lbs.; fourth row: Coach Trevena, George Skiniotes, 2nd, 120 lbs.; Glen Reid, 1st, 129 lbs.; Frank Chandler, 1st, heavyweight; Larry DuBein, 1st, 135 lbs. and John Handorf, 112 lbs. School represented were New Lenox, Mokena, Frankfort, Arbury Hills, Ann Rutledge and Manhattan participated in the tourney. Mokena was second with 48 points and Ann Rutledge third with 45.

Athletes At Sandburg Receive Their Awards

About 160 athletes at Carl Sandburg High School received awards at the Winter Sports Banquet on March 16. Letters and certificates were awarded in basketball, swimming, and wrestling.

Letter winners in basketball are Jim Foley, Jeff Crowe, Bruce Hyink, captains Jamie Roberts and Dick Hlavek, Ernie Sharpe, Jim Schroeder, Wayne Wagner, and Pat Heniff. Three of the team, Roberts, Hlavek, and Heniff, were named to all-conference teams at the close of the season.

Tuesday night, March 24 the Rainbow Council's annual recognition banquet was held at the Kankakee Civic Center.

A Scouters Key was awarded to Edd Lockhart, Pack 8, New Lenox school PTA; Fred Fell, Assistant Dist. Commissioner, Blackhawk District.

A Scouters award to Clarence Sluiter, Pack 8, Methodist church.

The free-throw trophy, for the best season average, went to Crowe.

Managers Bruce Danny, Steve Brown and Jim Reeves also received varsity letters.

Letter awards were given to the following varsity swimmers: Terry Brazel, Charles Compher, John Erickson, Jeff Ferguson, John Helquist, Bob Hutchinson, Terry Johnson, Harry Lemberg, Loth Lieberstein, Captain Bill McNaughton, Mike McNaughton, Jim Meeder, Art Schubert, Ron Stebner, Doug Stoxen, George Ware, Gary Schneider, Steve Olson, and Bob Negro. Manager Bill Nebe also received a letter.

Varsity wrestlers earning letters are: Tom Haislet, Bob Hunnewell, Roland Wolff, Larry Cohen, captains John Capodice and Alan Bulow, Aaron Bulow, Scott Spooner, Tom Rogers, Ed

Apel, Robert Osting, Tom Osting, Don Wiltz, Ed Battista, Gary O'Hara, Ross Smith, and trainer Bill Hausknecht. Three of the wrestlers, Capodice, Alan Bulow, and Ed Apel, had been named to all-conference teams.

Traffic Fines

Hugh O'Bryan, Rt. 2, Manhattan, no red tail lights (\$10 suspended) \$5 costs.

Randall Horn, 151 & 88th, Orland Park, speeding, \$20 fine \$5 costs.

Lawrence Zoerner, Grand Rapids, Mich., speeding, \$15 fine \$5 costs.

Henry Leichner, RR 1, Grant Park, speeding, \$5 fine plus \$5 costs.

James R. Cheney, Joliet, speeding, \$13 fine \$5 costs. Herbert Balbridge, Zanesville, O., speeding, (bond forfeited) \$15 fine \$10 costs.

Thomas Swan, 13109 W. Playfield Dr., Crestwood, speeding, \$10 fine \$5 costs.

Cecil Lee Mick, 1205, St. Joseph, Mich., speeding, (bond forfeited) \$15 fine \$10 costs. Laverne Joseph Holley, 3955 Denker, Los Angeles, Calif., speeding, \$15 plus \$5 costs.

John E. Doak, Joliet, speeding, \$15 fine plus \$5 costs.

Walter C. Lindstrom, Joliet, speeding, \$15 fine \$5 costs. Volkmar Liebscher, Carterville, Ill., speeding, (bond forfeited) \$15 fine \$10 costs.

Jack Herd, RR, New Cumberland, Pa., speeding, \$18 fine \$5 costs.

William Gatham, Peoria, improper passing and lane usage, \$5 fine \$5 costs.

Districts Share In \$73,000 Traffic Fines

The five suburban districts of the circuit court has received fines totaling more than \$73,000 for the month of January.

ary, according to Joseph J. McDonough, clerk of the court. McDonough said checks for the amounts collected have been mailed by his office to each of the suburbs.

In addition to the \$73,000 paid to the suburbs, the county collected \$240,860 for costs in traffic fines and filing fees for the month of January, he said.

The county must turn \$31,000 of this amount over to the state for its share of costs in state traffic violations.

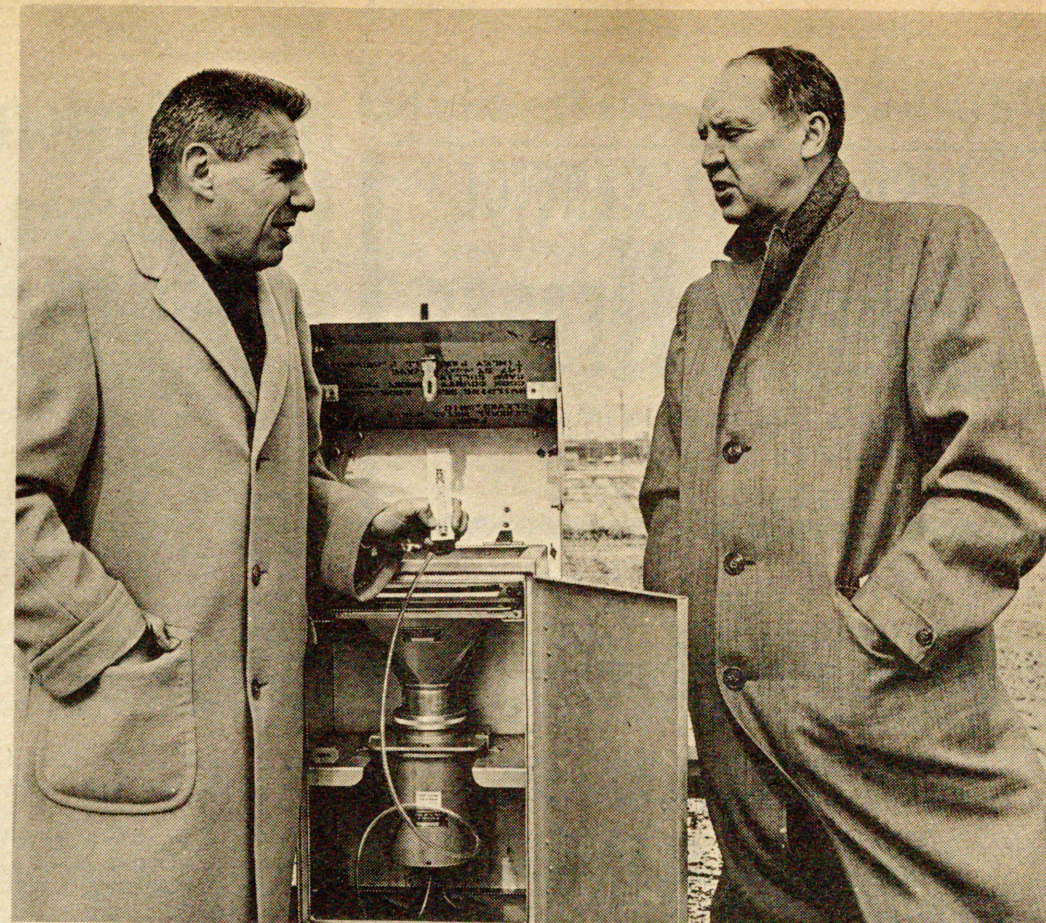

Filing fees throughout the county for the first month of judicial reform totaled \$137,000, of which all but \$20,000 was collected in Chicago, District 1.

Under the county wide court system, the county receives all filing fees and court costs imposed on traffic fines. The suburbs and Chicago are allowed to keep the fines.

Fines accruing to cities and villages in the southwest suburban area include:

Tinley Park	\$125
Orland Park	\$476
Palos Hts	\$122
Palos Hills	\$106
Palos Park	\$364
Lemont	\$481
Worth	\$523
Blue Island	\$136
Chicago Hts	\$654
Harvey	\$600
Country Club Hills	\$20
Midlothian	\$350
Park Forest	\$731
Oak Forest	\$364
Flossmoor	\$100
Homewood	\$126
Matteson	\$99
Markham	\$760
Robbins	\$695

Some communities received much larger amounts, such as: Calumet City, \$1,296; Oak Lawn, \$1,375; Lyons, \$1,285; Summit, \$1,228; Justice, \$1,169; Bridgeview, \$1,842.

THE AIR POLLUTION monitoring station installed on the roof top of Carl Sandburg high school near Orland Park, is working successfully in the gathering of data which will help in Cook county's fight for clean air, Seymour Simon, (left) president of the county board, said this week.

This station is one of 15 located at Suburban schools within the county. It was placed in operation March 10. Technically, the station is a device which, thru the use of screens and electric suction motors, traps air-borne particles.

The findings, to be correlated with those of 20 similar Chicago stations already in use, will show the areas of greatest air pollution within the county. Steps then can be taken to correct the nuisances, Simon declared.

With Simon is George W. Davidson, principal at Carl Sandburg.

Teachers To Be Married May 16

The engagement and approaching marriage of Miss Janice Rose Gould to Kenneth John Piggush is announced by her parents, Mr. and Mrs. Charles T. Gould, 304 South Hebbard street, Joliet.

Mr. Piggush is the son of Mr. and Mrs. Albert Piggush, Route 1, Peotone.

The wedding will take place at 2 o'clock the afternoon of May 16 in the Richards Street Methodist church, Joliet. The Rev. Paul Lamborne Higgins will officiate at the ceremony.

All relatives and friends are invited to attend both the wedding and reception. Following the marriage ceremony, the reception will be held in Fellowship Hall of the church parlors.

A graduate of Joliet township high school and Illinois State university, the bride-to-be is a business education teacher at Homewood - Flossmoor high school.

Her fiancé attended Illinois State university and Tarkio college after his graduation from Peotone high school. He is now a fifth grade teacher at Monee elementary school.

CHARLES WHITMAN

Palos Park Man "Charter Member" Of Clearing Shop

It was a real birthday party with all the trimmings when Western Electric's Clearing Shop in Bedford Park celebrated its 35th year of operation the other day. On hand to help with the celebrating were eight "charter members" - people who have been at the shops since it opened in 1929. Among them was Charles Whitman, 132nd and Wolf Road, Palos Park,

who started at Clearing Aug. 16, 1929 as a wire drawer and galvanizer. He is now a machine set-up man.

Whitman is a member of the Telephone Pioneers of America, an organization of telephone men and women with 21 years, or more, of service to the telephone industry. His main interests are athletics and the pointers and saddle horses he raises.

No Separate Trials For Beverly S.&L. Chairman

(CNS) Howard B. Quinn, 44 years old, 8930 South Leavitt st., chairman of the board of the closed Beverly Savings and Loan association, lost in an effort to get two trials instead of one Monday on his four-count indictment charging misapplication of \$648,166.66 of association funds.

U.S. District Judge Hubert L. Will denied his motions to dismiss the indictment as legally

insufficient and to permit separate trials on the two transactions involved.

Thru Attorney George F. Callaghan, Quinn contended he would be prejudiced by having to stand trial on the second transaction at the same time as the first because it involved a rubber check, . . . for \$95,000.

"Most of us have, at some time, directly or indirectly had an experience concerning an

N.S.F. check and know the feeling such an experience can generate," said Callaghan's motion. The prosecution can be expected to take full advantage of this situation and thus deprive defendant of a fair trial on counts one and two.

These allege that on April 3, 1963, he misapplied \$553,166.66 by having the association, unknown to its directors, make a four year pre-payment of rent to Quinn Management Co., which he owns, on the office at 8001 South Western ave.

Counts three and four charge on July 8, 1963, the \$95,000 was misapplied through issuing a good check to Lakewood Farms, which he owns, and taking a rubber one from Industry Capital corporation, which he also owned.

In reply, Assistant U.S. Attorney Robert S. Atkins said: "Both refer to his acts as an officer of Beverly Savings and Loan, occurring three months apart. The only difference relate to the manner and means of accomplishing the unlawful acts."

"This is no different than charging a man with robbing the same bank, and in the first robbery being armed and in the second unarmed."

Judge Will agreed and continued the case to May 25 for setting for trial. Attorney Callaghan expects to be tied up in the Jimmy Hoffa mail fraud case starting April 27, in which case Quinn will not be tried until fall because the Hoffa case will last five months.

WILLIAM F. WHITESIDE
Farm Adviser
6657 South St. Tinley Park
532-4369

Six scholarships are available at the University of Illinois for dairy technology study. Five of them are \$1,000 scholarships available for the fall 1964 semester for freshmen in the dairy technology program at the University of Illinois. These scholarships are made available by the dairy industry of Illinois.

To be eligible for these scholarships, high school seniors must meet U. of I. College of Agriculture requirements and be at least in the upper half of their graduating class. Applicants will be screened on the basis of extracurricular activities and general character as well as scholastic standing. Students selected for the scholarships will receive \$250 a year during their four years in college. All applications must be received at the University by May 1, 1964.

The sixth scholarship is a \$2,000 scholarship offered by the Chicago Dairy Technology Society. The student selected for this scholarship will receive \$500 a year during his four years at the University of Illinois. Illinois high school seniors who wish to apply for this scholarship will be screened on the basis of scholarship, extracurricular activities and general character. Applications must be received by April 15.

Applicants for dairy technology scholarships need not live on a farm.

R. T. Milner, head of the food science department, University of Illinois, points out that the University of Illinois is the only institution in Illinois with an accredited curriculum in dairy technology. Dairy technology prepares students for a profession that applies science and engineering to the processing, preservation and distribution of such foods as milk, ice cream butter and cheese. Graduates from the curriculum find employment in industry, government regulatory agencies and educational institutions.

Students who are interested may obtain applications for dairy technology scholarships from their high school principal or from R. T. Milner, 213 Munford Hall, University of Illinois, Urbana.

In recent University of Illinois swine studies pelleted rations showed about 10 percent greater feed efficiency than the same rations in meal form. The greater feed efficiency with pellets could not be attributed to differences in feed wastage, according to U of I extension specialist T. R. Greathouse. Both pelleting and fine grinding benefited feed efficiency more than rates of grain in growing-finishing pigs.

Expressed in terms of gain per 1,000 pounds of feed, pelleting produced about 25 more pounds of gain than the meal ration. Feeding finely ground corn rather than medium grind was worth an additional five pounds of gain per 1,000 pounds of feed.

Other studies in which pigs fed complete rations in pellet form gained both faster and more efficiently than pigs fed free-choice shelled corn and supplement. There was no evidence that pelleted rations increased the number or severity of gastric ulcers.

Illinois researchers cannot be certain that all pelleting procedures will yield the same results as shown in the

U of I tests until research shows more about the influence of variations in pelleting techniques.

Earlier U of I tests with group-fed pigs weighing 60 pounds or more which showed that rations containing corn ground to medium fineness were at least five percent more efficient than rations containing shelled or cracked corn. In the same tests, medium-grind corn yielded a minimum of 15 more pounds of gain per 1,000 pounds of feed than the coarser grind.

Past U of I studies also have shown finely ground corn to be superior to a medium grind for maximum feed efficiency. However, meal rations containing finely ground corn would not feed down properly in self-feeders.

Gamma Phi Beta Alumnae To Have Luncheon April 7

The South Suburban Alumnae of Gamma Phi Beta will attend a luncheon on Tuesday, April 7, at the home of Mrs. Ralph Huggett, 1329 Bunker

CR&I Will Spend Millions To Better Freight Service

(CNS) The Rock Island Railroad moved Friday to modernize its service, but for freight only, when it awarded \$5,350,000 in contracts to two northern Indiana firms.

Pullman-Standard Car Manufacturing Co. at its Michigan City, Ind., plant will build 235 seventy-ton specialized box cars equipped with roller bearings, cushion underframes, and belt loading devices; and five 100-ton box cars, each 50 feet six inches long, with the same equipment.

Thrall Car Manufacturing Co. at its Dyer, Ind., plant, will build 30 seventy-ton, 86-foot six-inch long, box cars featuring special load retaining devices and roller bearings for transporting auto parts; 14 ninety-ton 60-foot, 10-inch cars for auto axles, and five 100-ton 60-foot, 9-inch long cars with cushion underframes, roller bearings, and elaborate load retaining devices for carrying auto engines.

The 289 specialized cars, to be delivered this year, are part of the \$27 million equipment and capital improvement program announced by the railroad

in January.

The long-suffered commuters can take comfort, at least, in the probability their new automobile will have a restful trip on the railroad,

will be held, Mrs. A. G. Broshar, Jr., Province Alumnae director, will be the guest speaker. Her topic of discussion concerning Gamma Phi Beta will be of importance to all alumnae.

The meeting will be concluded with a farewell tribute to Mrs. Lloyd Mahone, the past president of the South Suburban Alumnae. The Mahone family will be moving east early this Spring.

All Gamma Phis who are interested in attending this luncheon meeting are asked to make reservations with Mrs. Huggett by telephoning her at SY 8-2747 or with Mrs. Robert Nauman at 479-5221.

It's fun to spend money

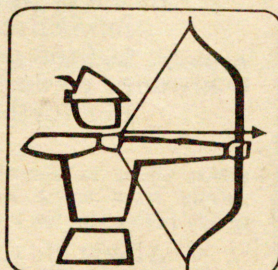

Everyone likes to spend money. And these days we have more wonderful things to spend money on than ever before.

But spending is most fun when you're buying with money that's already yours. Money actually in your possession—or in your savings account.

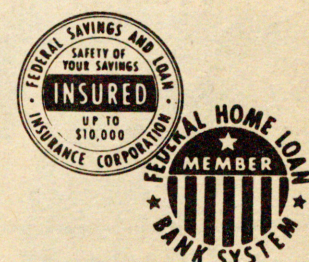

Yes—it's lots of fun spending money! And it's fun to *save*, too—knowing that in future you *can* spend when you're in the mood to do so.

You'll like saving at Archer-Hoyne—either by mail or in person. It's simple . . . it's safe . . . and you share in association earnings twice each year. Best of all, the money is *yours* when you want to take the family on a spending spree!

Newly Formed 4-H Club Takes Name "Achievers"

MRS. EDWARD HOVI
Telephone 479-5740

A meeting of the newly formed 4-H club at the home of Miss Sue Smith Friday afternoon, March 20, included 14 members present.

It was decided at the meeting that the name of the organization should be Arbury Achievers.

Membership pins were distributed to the girls. There

were twenty members on file.

The matter of the State 4-H Club Week, being held June 16 thru 19 at the University of Illinois at Champaign, was discussed. One representative from each club will attend.

There will also be a camping outing at the 4-H Camp Shaw-waw-nas-see to be held Aug. 3-7. The deadline for reservations is May 1. The cost is \$17.70.

The Will County 4-H has a call out for women volunteers to act as camp counselors for this outing. A total of 15 women will be needed. Any woman is eligible who is 18 or older. She need not be involved in 4-H work.

A discussion concerning the type of uniform for the group ensued. Mrs. Diercoff has the official pattern for the uniform and is trying to locate the official material. The girls are planning to make their own uniforms.

The group has decided to enter the Share-the-Fun program at Lincoln-Way high school May 2. They will give a skit and a musical dance routine.

The organization held a bake sale Saturday, March 28 at Mokena. The posters were made by Donna Schubert. The officers were the salesmen.

Two nominees for federation delegates are Laura Kronick and Sandra Nyder. They are to attend the meeting at the Farm Bureau building at 7:30 p.m. the first Tuesday of each month.

Sue Smith gave a demonstration at the meeting on the making of drop cookies; while Francine Smith gave a talk on The Tools You Use.

A letter was received from James Wrath giving permission for the use of a classroom for future meetings.

ACCOUNTING AND INCOME TAX SERVICE

Harold A. Smith

137 Linden Drive

Frankfort, Ill.

Elected GEORGE W. MCGURN CONGRESS

REPUBLICAN-14th DISTRICT

The next meeting will be held at the school tomorrow afternoon at 4 p.m. Highlight of the meeting will be a demonstration on liquid embroidery. Mothers are encouraged to attend.

Up-coming events are a Food Demonstration contest July 2, and a public speaking contest July 8.

Registration closed for the Girl Scouting day camp program to be held this summer at Van Horne Woods. It is from July 20-24. Bus transportation will be provided, and the program will be held from 9 a.m. until 3 p.m. There will be full arts and crafts program during the day camp.

The Junior Scout troop number 103 went on a field trip to the Tinley Park State hospital, March 26.

The girls distributed two hundred Easter baskets which they had made themselves. This was enough for all four wards. The girls also sang songs to the patients, followed by a guided tour of the hospital by the chief of security.

An orientation program was given by Mrs. William Kilgore to the five women who are presently taking leadership training program in Joliet; Mrs. David Leonard, for Brownies; Mrs. John Erkmann, for Juniors; Mrs. Dan Markowski, for Cadettes; Mrs. Leroy Harris, for Cadettes; and Mrs. Eart Scott, for Juniors or Cadettes.

The Arbury Hills Baby Sitters Cooperative secretary's book will change hands from Mrs. Charles Walles, who had acted as secretary for the past month, to Mrs. Alan Borchert, who will act as secretary for the coming month.

Any member who needs a baby sitter should contact Mrs. Borchert at 479-5998 at least 24 hours in advance of the date needed. In addition, any woman in Arbury Hills who would be interested in joining the group should also contact Mrs. Borchert at the above number for further information.

The First Nighters will hold their regular monthly meeting at the home of Mrs. Alice Brookstra tonight, April 2, at 8 p.m.

The Summit Hill PTG will hold their regular monthly meeting at the school Thursday, April 9, at 8 p.m.

The annual election of officers will be held followed by a speaker from Lincoln-Way high school to talk on a preview of the freshman year at Lincoln-Way.

Sunday, April 5, is the day of the St. Mary Spring Frolic Dinner.

ner-Dance at Valley View Farm Restaurant, Route 30 east of Wolf Rd.

The Arbury Hills Boys Baseball League second annual benefit dance will be held at the Goodings Grove Hall on 143rd Street, four miles west of Route 45, Saturday, April 11 from 8:30 p.m. until 2 a.m., \$1.50 per person. Food and refreshments will be available. There will also be two special prizes awarded at the dance, a portable television set and an AM-FM table model radio. For further particulars contact Dick Prather at 479-3451.

The Summit Hill Boy Scout Troop Number 10 will hold its regular monthly newspaper drive this Saturday, April 4. Those with newspapers, magazines, cardboard or other easily transportable paper goods should have the donation ready before 9 a.m.

Bundles should be at front or garage door, NOT at the curb, since this might interfere with the garbage collection which also takes place Saturday morning.

The Arbury Hills Civic Association will hold its regular meeting at the school Tuesday evening, April 7, at 8.

There were several notations on the secretary's book concerning the amending of the by-laws. The changes concern the number of meetings to be held during the year and the time of elections for the organization.

Voting on these matters is scheduled for this meeting with the establishment of the legal quorum of 14.

The hay ride date for the Teens Club had to be rescheduled because of conflicting date. The new date is April 18. Those planning on attending are asked to meet at the corner of Willow Lane and Beechnut Dr. at 7 p.m. They will return at 11:30 p.m.

There will be hot dogs, potato chips, and pop served, no charge for members, but a 75¢ charge for guests will be made.

Residential stickers are still available thru either Terri Homer or Priscilla Fitch.

The Teens club has formed a membership committee to promote new memberships in the organization. Membership eligibility is for residents of the Summit Hill School District 161 between the ages of 13 and 18 who are presently attending school. School dropouts are not eligible for membership. Dues are \$1 for six months.

Anyone eligible for membership can attend a maximum of two meetings at which time the guest will be required to either join the group, or pay a charge of 50¢ per person per meeting.

The meetings are held at the school twice a month on Monday nights. After a half hour business session there is volleyball, basketball, dancing or board games.

Anyone interested in joining may contact one of the members of the membership committee: Nancy Rose, Sara, Rose, Sue Smith, Lynn Funch, Sherry Stoner and Terri Homer.

PATRICIA ANN WARREN

WILL WED MOKENAN

There's romance in the air for Miss Patricia Ann Warren, who will become the bride of Second Lt. Henry P. Barnett July 4 in First United Presbyterian church at Granite City.

The romantic announcement concerning their daughter and the son of Mr. and Mrs. Aaron Barnett, 192nd St., Mokena, comes today from Mr. and Mrs. R.V. James Warren of Granite City, Ill.

The bride to be, a graduate of Belleville township high school and Illinois State university, Normal, is a teacher at the Webster school in Granite City.

Lt. Barnett was graduated from Lincoln-Way high school and did graduate work at Illinois State university before entering service. He is stationed at present at Quantico, Va. (Markuly photo)

Marley

150 Attend Open House For Couple Married 25 Years

BY VIRGINIA SASS

Mr. and Mrs. Royal Corp celebrated their 25th wedding anniversary at an "open house" in the Marley Baptist Community church Sunday. Mr. and Mrs. Corp were married March 22, 1939 in the Methodist church at Pontiac. Mrs. Corp was the former Isabelle Smith of Pontiac. They have always resided on their Maple road farm and are prominent in the affairs of the community.

Mr. and Mrs. Corp were assisted in receiving their guests by their daughter Connie and by their son and daughter-in-law, Mr. and Mrs. Roger Corp of New Lenox. About 150 guests were present.

The serving table was covered with a white linen cloth and centered with an anniversary cake. Mrs. George Smith of Odell, presided at the silver coffee service and Mrs. George J. Smith of Bloomington at the punch bowl. Mrs. Victor Casson of Lockport served the cake. Miss Barbara Kolpman of Peotone had charge of the guest book and Mrs. Harry Miller of Frankfort of the gift table.

Out-of-town guests were Mr. and Mrs. William Baughman of Forrest, Ill.; Mr. and Mrs. George Smith and sons of Odell; Mr. and Mrs. George J. Smith and James Smith of Bloomington; Mrs. Hattie Mitchell, Mr. and Mrs. Clyde Schenken, Mr. and Mrs. Clifford Craig, Mr. Irvin Casson, Mrs. Glenn Casson, Mr. and Mrs. Oscar Koltveit, and Mr. and Mrs. Clarence Larson of Pontiac; and Mr. and Mrs. Walter Corp and Mr. and Mrs. LeRoy Corp and daughter of Kankakee.

The annual family party of the Maple Street Arbor of Gleaners will be held at Homer school Friday night, April 10, at 8. Ladies are requested to bring cake or sandwiches. Committee in charge is Mr. and Mrs. Daniel Sass, Mr. and Mrs. Royal Corp, Mr. and Mrs. John White and Mr. and Mrs. Leo Ruetiger.

Members of the Marley Missionary Society will attend the spring rally of the Baptist Association at the Park Place Baptist church in Aurora Tuesday, April 14. The all-day session will begin with registration at 9:45 a.m. Luncheon will be \$1.25. Make reservations with Mrs. Herb Crabb - phone: 485-6639 by April 10.

The Marley Woman's Club will meet Thursday, April 9 at the home of Mrs. Victor Zaloudek. Mrs. John Peceniak will be the assisting hostess. Mr. and Mrs. Clare Berge returned home Thursday after vacationing two weeks in Florida. They were guests for a few days at the home of Mr. and Mrs. Fletcher Binion in Sarasota.

Mr. and Mrs. Clare Berge returned home Thursday after vacationing two weeks in Florida. They were guests for a few days at the home of Mr. and Mrs. Fletcher Binion in Sarasota.

Mr. and Mrs. John Horras entertained at a 5 o'clock dinner Sunday in honor of their son Gary who was confirmed Sunday morning at St. John's United Church of Christ.

Those present were Rev. and Mrs. Wimmer and family, Mrs. Catherine Horras, Mr. and Mrs. James Horras and family and Mr. and Mrs. Lloyd Leyerle.

Annual pancake day sponsored by the Mokena Lions Club will be held Saturday, April 4 from 6 a.m. to 2 p.m. in St. Mary's social center. Proceeds will aid the Trinity School for retarded children at New Lenox, announced George Carlisle, president.

Walter Welsch, chairman of the committee, announces tickets are on sale at \$1 per person. Assisting him on his committee are Lions Herman Munk, Robert Best, Bud Janssen, Frank Holladay, Paul Smith, Ralph Thompson, Jim Lillie and George Carlisle.

Items made by students of the school will be on display and available for purchase.

Word was received Monday morning that relatives of Mr. and Mrs. Helge Lund, R/1, are safe in Soldatna, Alaska. Mr. and Mrs. Bud Casson of Soldatna, with their two child-

ren, Mr. and Mrs. Herb Crabb, Sr. of Hinsdale, were week end guests in the home of Mr. and Mrs. Herb Crabb, Jr. and family.

Mrs. Annie Biro returned to her home in Allegan, Mich., last Sunday after spending three weeks in the home of her brother, Frank Liszt.

Young people home from school for the Easter vacation were Miss Jane Griffin from Ottawa college, Ottawa, Kan.; Miss Cheryl Sass from Kansas State, Manhattan, Kan.; Miss Bonnie Sproat, Miss Betty Stellwagen and Miss Joan Stellwagen from Illinois State at Normal and Ron Ferguson who is teaching at Winnebago, Ill.

Mr. and Mrs. Edward Sproat and daughter Bonnie entertained at a dinner in their home on Easter Sunday. Guests were Mr. and Mrs. Charles L. Lauffer and Timothy of Peoria Heights; Mr. and Mrs. Clare Berg, Mr. and Mrs. Russell Lauffer and family; Mr. and Mrs. Charles W. Lauffer, Miss Bessie Sproat, Glenn Sproat and Harry Sproat.

Mr. and Mrs. Charles Sievert were guests at a family gathering on Easter in the home of Mr. and Mrs. Clarence Wies in Homer.

James D. Frazer joined his family at a dinner on Easter in the home of Mr. and Mrs. Wilbur Francis at Manhattan.

Miss Connie Corp spent this week with the Lincoln-Way High School Band on a tour downstate to Springfield.

Mr. and Mrs. Loren Sass and daughters Cheryl and Verda entertained at an Easter dinner in their home Wednesday evening. Guests were Charles E. Sass of Plainfield, New Jersey; LaVerne Herzmann of Manhattan, Kansas; Mrs. Glenn Peterson, Mr. and Mrs. Daniel Sass and Louis F. Sass.

Mr. and Mrs. Charles L. Lauffer and Timothy of Peoria Heights and Mr. and Mrs. Clare Berg were dinner guests Friday night in the home of Mr. and Mrs. Russell Lauffer.

A baptismal service was held in the baptistry during the Easter morning service.

The Missionary society of Homer Church is completing plans for its annual bake-sale which will be held at the Bump Service Station on Rte. 7 on Saturday, April 11. Donations for the sale should be at the station before 9 o'clock.

The meeting of the society last Thursday was conducted by Mrs. George Burcham in the absence of the president, Mrs. Don Aspel. Mrs. Stanley Cox led an appropriate Holy Week devotion. The group discussed the possibility of obtaining a missionary speaker to talk here. They packed a box of clothing and household articles to be given to a South American missionary family. Last week they donated a blanket for the drive which was sponsored by the United Church Women. The King's Daughters of this community also furnished a blanket for this cause.

The Missionary members decided to have their business and devotional meeting at 1 o'clock hereafter, followed by refreshments, reversing a custom they have had for some time.

Hints For Homeowners

BY: JAMES FIZZELL
Assoc. Farm Adviser

Chances are you received a beautiful flowering plant to brighten your home this Easter week. Whether it is an Easter lily, a hydrangea or a pot of flowering spring bulbs, proper care will prolong the life of your plants.

Watering is most important. Be sure your plant doesn't dry out, but don't over water. Keep the plant in a bright but not direct sunlight. If possible, keep the plant in a cool location at night. Temperatures of about 60 degrees F. would be best because they would slow down deterioration of the flowers at night.

Spring bulbs which have been forced or Easter lily bulbs can be moved outdoors and will often flower the next year. After the lily flowers have died continue watering until the foliage ripens then cease watering and dry the plant off completely. In May knock the plant out of the pot and plant it outdoors.

When the spring bulbs finish blooming cut off the stems and continue watering until the leaves dry up. When dried off, remove the bulbs and store them in a cool dry place. In fall plant the bulbs in a sunny flower bed.

Hydrangeas forced for Easter are not hardy outdoors. To carry your hydrangea over for reblooming indoors, carefully follow these directions. Cut shoots back to several inches above the soil, or leave two to three nodes on each shoot. Repot, using this mixture: three parts soil; three parts acid peat and 1 part sand. When re-established, grow on in full sun. In May sink the pot outside in a flower bed receiving dappled shade during the warmer part of the day. Mulch, water regularly, and start fertilizing. For extra-large flower heads, limit the number of stems per plant to two or three.

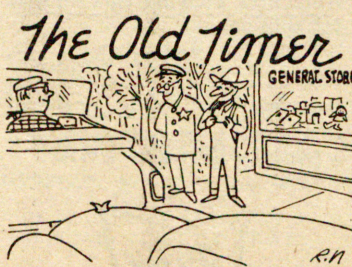

Leave outside until frost is near, then lift the pot and bring it inside to a cool, sunny room (50 degrees to 60 degrees F.) or a sun porch that can be maintained above freezing. It is desirable to keep the foliage on

Rural Teachers Of L-W Area Meet In Joliet Church

The Lincoln-Way Rural Teachers held their March meeting recently at the Richard Street Methodist church in Joliet. After a brief business meeting the teachers enjoyed a talk on handwriting by Mrs. Bertha Brown, a graphologist of Joliet.

Special guests of the evening were Louis F. Bottino and his wife. Bottino met with this group many times in the past years when he was county superintendent. Discussions of old times, school problems of the past and present and future school policies filled the evening.

Hostesses for the evening were Mesdames Jesse Eggman, Phyllis Floyd, Daisy Johnson and Misses Edith Peterson and Gladys Leatherman, all of Joliet.

"A small town is about the only place that takes pride in traffic congestion."

Mrs. Don Aspel was called to Wyand last Sunday by the serious illness of her father. There has been much illness among the pupils of 33-C during the past two weeks. Laurie White was hospitalized for several days. Flu and measles predominated.

Mr. and Mrs. Loren Aspel have returned from Florida where they spent the winter. Miss Frances Putnam of Chicago was a recent visitor in the Jerome Paddock home.

Mrs. Alan Henderson of E. Seventh St. was hospitalized for tests at Silver Cross two days last week.

The wives of Will county ministers toured Silver Cross Hospital in a group on Tuesday of this week. Mrs. Cox was among them.

The United Church Women of Lockport area will hold a board meeting at Lemont Methodist Church on Monday, April 6. The president of each woman's group, the minister's wife, and one delegate are eligible to attend.

On Sunday morning April 5,

until November 1, but at that time pick off ALL of the leaves. Defoliation can also be accomplished by putting the plant in total darkness until the leaves drop off naturally. The leafless plant must then be subjected to cool temperatures (50 degrees or less, preferably 35 degrees to 40 degrees F.) for six weeks. Buds develop during this cool period; without it, flower buds usually blast. Keep the soil somewhat drier than usual, but not so dry that the stems shrivel.

Following this treatment, the plant can be brought into a fairly cool (55 degrees to 60 degrees F.), bright room until leaves appear. Water more freely. Then shift to a sunny window and warmer temperatures, (60 degrees F. at night, 10 to 15 degrees warmer during the day). Check soil moisture daily, and fertilize regularly.

By severely pruning your hydrangea each year, you can keep the plant at a reasonable size and flower it successfully for several seasons. Repot or shift as necessary. Cuttings taken in early spring can also be grown into blooming sized plants by the following spring. When rooted, put up and shift into larger containers as needed. Pinch back the shoots twice to promote branching and prevent tall, ungainly growth. The last pinch should be no later than July.

For more information on care of flowering plants contact your nearest Extension Service office and request the pamphlet, Flowering Gift Plants.

The Homer Men's Club held two work evenings last week to make further improvements at the Town Hall.

WEDDING BELLS
Miss Faye E. Anderson, daughter of the Bruce Andersons, and John M. Hallis, son of Mr. and Mrs. Edward Hallis, all of Homer Twp., were married at a quiet ceremony at Homer Church Monday evening, March 23, at 8 o'clock, with the Rev. Stanley Cox officiating. The attendants were Miss Kathleen Bergseth of Lockport and George Anderson, brother of the bride. Guests were the two immediate families and Mrs. Cox.

Following the ceremony a wedding dinner was served at the Cozy Cottage Restaurant in Lockport Twp. Both young people are graduates of Lockport High School, and attended Joliet Junior College.

The Homer Twp. Fire Auxiliary will meet at the Fire House on Cedar Rd. Monday evening, April 6, at 8 o'clock. The guest speaker will be Mrs. Fran Hine line who will talk on "Magic in Numbers." Hostesses will be Mrs. Edith Schaeke, Mrs. Merta Loede, Mrs. M. Doede and Mrs. D. Anderson. Guests are welcome. Hine line's lecture is said to be very entertaining.

Mrs. Marie Bonnucci was called to Missouri last week by

Why LOUIS R. BERTANI
REPUBLICAN FOR STATE'S ATTORNEY

ABILITY
Only candidate with successful criminal trial experience. In 13 years of active trial work has never lost a contested criminal case.

BACKGROUND
Locally born and educated. History of public service including two terms as elected School Board official. Proven administrative qualifications and vote-getting ability.

CONVICTIONS
Will County needs an aggressive, active, alert State's Attorney who will fairly and impartially protect the rights of all of the citizens and vigorously prosecute those who violate the law. He should be free from embarrassing entanglements and from possible conflict of interests.

Signed by Louis R. Bertani, Hdq., 124 N. Ottawa St., Joliet, Ill.

Warns Of Gains By TB In Will County Last Year

The announcement that on Tuesday, April 7, the World Health Organization, in co-operation with government and voluntary organizations throughout the world, will focus their attentions on the huge tuberculosis problem has created great interest locally.

Mrs. Earl G. Keniston, president of the Will County Tuberculosis Association speaking before a group of area college students pointed out some of the current problems.

"The question frequently raised is why talk about tuberculosis? Is it not on the decline, they ask? Unfortunately," Mrs. Keniston said, "the answer cannot be in the affirmative. In Will county during 1963 the number of cases reported increased more than 60% over 1962 (28 new cases reported in 1962 - 45 new cases reported in 1963.)"

"In no sector of the world, including Will county, can we afford to relax our vigilance against this terrible disease. Progress in some phases of the control program have been great, but no one can rest until there is total victory," she stated. "In our fight against tuberculosis we must constantly rededicate ourselves to finding every known case and every infected person. This will be a long and tedious task and it will become harder before we finally reach our goal."

"Say you were asked to capture all the birds in the forest, you'd find the first to be easy, the last ones, more difficult,

Control of tuberculosis is somewhat the same; each year, as the number of TB deaths decreases, it makes the discovery of the remaining cases more important, and at the same time, finding them become increasing expensive."

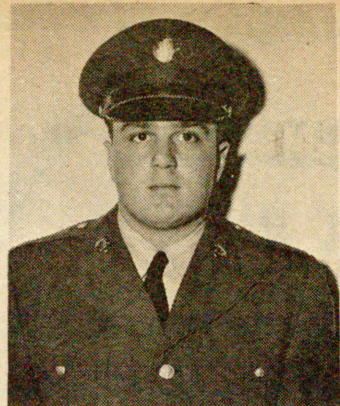

In speaking about the need for continued effort and rededication Mrs. Keniston stated that she likes to think of the dedication of the German scientist, Robert Koch, who succeeded in identifying the agent of tuberculosis (a slender rod between three and four thousandths of a millimeter in length), but the discovery was only made on the 271st attempt, after a period of experimentation of 11 years.

Robert Koch isolated the bacillus on March 24, 1882. From that moment everyone knew that the origin and propagation of tuberculosis were no longer a mystery. TB was a communicable disease. Mrs. Keniston concluded by saying, "We have come a long way in the fight against tuberculosis since 1882, but we have a long way to go before TB finally becomes completely controlled."

The Old Timer

"A dandelion is another thing which, if given an inch, will take a yard."

ARMY PVT. DAVID H. JOHNSON, whose parents Mr. and Mrs. Otto Kettler, live at 14960 West ave., Orland Park, has completed eight weeks of advanced infantry training with light weapons at Fort Polk, La. The 19-year-old soldier entered the army in October 1963 and completed basic training at Fort Knox, Ky. Johnson is a 1963 graduate of Carl Sandburg High School.

Arbury Hills Teachers Have Board For Pupils

Members of the board of education of Summit Hill school district have been going to school during the past three months. Their school is the Arbury Hills elementary school, and their teachers are the superintendent, H. James Wrath, and faculty. The instruction period is one and one-half hours in length and is held on the first Tuesday of each month. This is one of two regular board meetings scheduled for each month when it became obvious that business details of operating the school did not allow time for the board and superintendent to consider the instruction program.

The board began with the idea that it was first necessary to become thoroughly familiar with the present instructional program before they could make judgements in regard to any changes that might be recommended by their superintendent in the future. They also decided that their present teaching staff was the prime source of information. Thus the teachers were invited to meet with the board members to "teach" them about their school.

The structure of these meetings were outlined by Mr. Wrath and agreed upon by both teachers and board members. The meetings are confined to 90 minutes and every effort is made to produce a relaxed atmosphere for both groups. The idea is to stimulate discussion that flows free and easy, apart from the strained formality that generally marks Board - Teacher meetings.

The teachers attend these educational sessions initially

Sandburg Golfers Looking Forward To A Good Year

BY JOHN HELQUIST

The weather is now steadily getting warmer which means the Carl Sandburg Golf Team will be preparing for the new season. Last year the team under the guidance of Coach Richard Finley and Mr. Daley, the golf team finished second in the conference meet and fourth in the District meet. The fourth place finish was the highest Carl Sandburg has attained since golf was introduced at Sandburg.

Finley was quite pleased about last year's record of seven wins, five losses and two ties. The meets during that year were so close that the record could have easily have been eleven and three.

This year with six of the seven lettermen returning looks

even more promising. The returning seniors are Dick Coghill, Joe Bozic, John Helquist and Jeff Ferguson. Other lettermen are Juniors Dave MacIntosh and Curt Yelnick. When asked what the season looked like Coach Finley said that if the team got its share of breaks they could win all but one or two of the meets. The team has the experience and the ability, now all they have to do is show everybody else. Finley also stated that the four seniors on the squad would keep the rest of the team from being erratic as they had been in the past.

The team is looking forward to a full season with some pretty tough competition. Among these are Homewood - Flossmoor, Lockport, Thornton, last year's district champions, and LaGrange. Homewood - Flossmoor, defending conference champions, appears to be the biggest hazard in the Carl Sandburg golf team's aims of being Conference and District champions in 1964.

THIS GROUP was the winner in the basketball tourney held in the Lincoln-Way girl's physical education department. In the front row (l. to r.) are: Cindy Markl, Pat Badten, Irene Geuther, and Lynn Buck; (back row) Lois Dau, Diane Eden, Carol Jones, and Terrie Hearn. (Wayne Sutton photo)

Preserve To Erect New Bldg.

(CNS) - The Cook county board last week approved \$85,309 for an administration building for the forest preserve district.

The facility will house the new Tinley Creek Division headquarters, which will administer the southwest suburbs.

The facility, to be located on the east side of Harlem, just north of 143rd st., is expected to be completed in six to eight months, according to Charles G. Sauer, district superintendent.

Bids were awarded to Raday Construction Co. - \$59,984 for general work; James E. Henderson, \$8,869 plumbing; Beverly Heating Co., \$7,583 heating and ventilation; and Berry Electric Contracting Co., \$8,873, electrical work.

The board also approved a request of the federal government for acquiring right-of-way on 104th ave., in connection with the Cal-Sag channel widening project.

A second request by the federal government was approved calling for acquiring right-of-way in connection with the Pennsylvania R.R. Crossing over the Little Calumet River, north of 134th St., near Riverdale, also in connection with the Cal-Sag project.

BROWNIES of troop 303 are learning First Aid under the direction of Mrs. Gary Chase, R.N., who demonstrated by bandaging some of the Brownies: (l. to r.) Lisa Shoop, Jennifer Zangri, Nancy Fuley, Valerie Anast, Denise Schifler. Showing some of the items brought by the Brownies to outfit a troop First Aid kit are: Theresa Zangri, Barbara Hostert, Karen Niemann, Debra Pierson, Susan Zablecka, with nurse, Mrs. Gary Chase. A trip to Silver Cross hospital for a tour and to deliver Easter tray favors made by the Brownies is planned for March 25.

Adds Travel New Cultural Atmosphere To Education

College education gains new dimensions when the student attends school abroad and watches history in the making, as Mark Muehler, son of Mr.

and Mrs. W. A. Muehler, 1964 Wolf road, Mokena, is learning while studying at the University of the Americas in Mexico City, second largest city in the hemisphere.

Modern minded Mexicans hold progress as their shibboleth as they forge ahead and scholars from all over the world make annual treks to Mexico to study the process of these intriguing changes.

This progress is unfolding before the eyes of students from more than 20 nations who are attending the University of the Americas along with Muehler. Before attending the University of the Americas, Muehler was a student at the University of Denver in Colorado. He is a business major.

On week-ends, Muehler can visit the ancient ruins of the Pyramids of Teotihuacan, a

short distance away from the capital. Or he can go to Oaxaca and admire the impressive archeology of Mitla and Monte Alban, or to Merida, to visit the ruins of the old Maya empire. This cultural travel, plus watching a nation rise to the front ranks of progress, is an education bonus for Muehler while attending college.

And to further his cosmopolitan training, Muehler has among his instructors at the University of the Americas, renowned educators from the United States, Europe and Latin America who conduct all classes in English. The credits he earns here are recognized by American colleges since the University of the Americas is a member of the Southern Association of Colleges and Schools.

For many years the Institute of International Education has listed UA as the most popular foreign school among American students, with the Sorbonne running second.

While English is the language more widely used at UA, Muehler must use Spanish in his daily living outside of the school. He will probably learn a good portion of the language as so many other American students here do, before his return home.

Dr. D. Ray Lindley, who resigned from the presidency of Texas Christian university to take over the helm of UA, tells American students now attending this school:

"The University of the Americas is a small but significant beachhead projecting a powerful image of a free economy and a free way of life."

Republican Women Plan Meeting

The April 7 meeting of the Palos Republican Women's Organization at Community Center Foundation will be a candidates meeting. Those candidates who have been able to accept the invitation are:

John Henry Altofer, for lieutenant governor; Arthur W. Sprague, for state senator; Patricia M. Mungovan, for state senator; Edward W. Smith, for state senator and Maurice W. Coburn, auditor of public accounts.

Coffee will be served during the get-acquainted period at 9:30 a.m., immediately preceding the business meeting. All interested women in the Palos-Orland area are invited to hear these candidates.

Child care is available. George E. Dolezal, candidate for trustee of the metropolitan sanitary district who was the guest speaker in March described the work done on the reapportionment bill, and the problems we would face in the at-large election.

Thinclads Mentor Full Of Hope For The Season

By Tim Sedgwick

"Sandburg track is really going to go this year," Robert L. Gadt, track coach, said, "we're planning to take conference, make a good showing in district and send more than five men down state." And Gadt says his predictions are based on a number of facts.

Carl Sandburg track has grown in the past year. This year the boys are stronger, have more desire, and bring more depth to the team. Altho the Eagles lost state-qualifier Bob Morris in the sprints, yet both Ernie Sharpe and Leonard Beasley are returning from last year's qualifying mile relay team.

Also left from last year's varsity sprinters is Larry McNeil who placed in conference, Garry Casper, Chuck Crowhurst and Doran Harding from last year's sophomore team add more depth, giving Coach Gadt reason for his belief that both the 880 yard and mile relay teams will go downstate.

In the low hurdles, Sharpe can qualify for state, according to Gadt. In the highs, Gadt expects Ross Smith and Tim Sedgwick to add all around strength to the team.

Distance men also show po-

tential, Jim Reeves is one of Gadt's candidates for going downstate in the mile. Jim Marchant, John Capodice, Gary O'Hara, Harding and Sedgwick add to the entire strength of the distance runners.

In the field events, Gadt's hopes for state include Sharpe in the broad jump, Dan Taylor in the high jump and Guy Cherskov in the pole vault.

In the discus and shotput, Sandburg had made advances with Bill Vanberschot, Roger Burke, Tony Molitor and Chuck Heffner expected to carry the load.

The team has the potential and with the Gadt system of "you can always run another quarter," it should develop. Workouts will be similar to last year's with additional speed work and generally stiffer workouts.

The new coaching system is also expected to bring out the ability of the individuals. Head coach Gadt is responsible for the entire track team, with special attention to the sprinters, broad jumpers and high jumpers. Coach Wayne Lunak is handling the weight men, while Coach Charles Harnisch trains the distance men.

CAREER!

We don't have a single job opening! But, we do have a lifetime career opportunity for a man with the ambition and desire to get the most out of life. There is a difference! A job is a job... you put up with it. If you're embarked on a career, you like your work and yourself, you're going places and know it. New careers are begun every day with State Farm Insurance Companies.

Rock Island Modernizes - - But It's For Freight

The Rock Island Railroad moved last week to modernize its service -- but for freight only -- when it awarded \$5,350,000 in contracts to two northern Indiana firms.

Pullman-Standard Car Manufacturing Company at its Michigan City, Ind., plant will build 235 seventy-ton specialized box cars equipped with roller bearings, cushion underframes, and

belt loading devices; and five 100-ton box cars, each 50 feet six inches long, with the same equipment.

Thrall Car Manufacturing company, at its Dyer, Ind.,

plant, will build 30 seventy-ton, 86-foot six-inch long, box cars featuring special load retaining devices and roller bearings for transporting auto parts; 14 ninety-ton 60-foot, 10-inch cars for auto axles, and five 100-ton 60-foot, 9-inch long cars with cushion underframes, roller bearings, and elaborate load retaining devices for carrying auto engines.

The 289 specialized cars, to be delivered this year, are part of the \$27 million equipment and capital improvement program announced by the railroad in January.

The long-suffering commuters can take comfort, at least, in the probability their new autos will have a restful trip on the railroad.

PWP Planning Dessert-Coffee For April 3

Parents Without Partners (PWP) is a national non-profit, non-sectarian, educational organization devoted to the welfare and interest of single parents and their children, plans a meeting Friday, April 3 at 8 p.m. in the home of Mrs. Frances Staples, 411 Division st., Lockport. Members and non-members are welcome to attend.

Hoffman Brings Campaign To Will County

Congressman Elmer J. Hoffman of Wheaton, candidate for the Republican nomination to the office of Illinois secretary of state, was feted at a luncheon in Joliet yesterday by a group of his supporters.

On the same day, Mr. Hoffman toured most of Will county's outlying townships.

Currently the U.S. Representative from the 14th Congressional District (Will and DuPage counties), Congressman Hoffman was in familiar territory in Will county as he has campaigned the area for his congressional seat and also for the office of state treasurer.

Hoffman has served two terms as congressman and was state treasurer from 1952 to 1954 and from 1956 to 1958. He is a former sheriff of Du-

Page county and a long-time official in the Illinois Sheriffs Association.

Congressman Hoffman has been active in promoting traffic safety and law-enforcement procedures over a period of years which, together with his experience as a public official, provides him with an excellent background for the state secretary's post, his supporters point out.

Dragaway To Open Sunday

The Great Lakes Dragaway, Union Grove, Wis., will open its eighth season this coming Sunday, April 5 as has been since the Dragstrip was built.

There has been at least seven gas and nitro fuel dragsters built in Wisconsin over the winter months, and more than that in Illinois. With these many new 180 plus M.P.H. racers plus the many roadsters and other machines that have competed other years, it promises to be the biggest year in drag racing.

Drag races will be held every Sunday and holiday thru October, with races starting at 2 p.m. and time trials starting at 9 a.m. The drag strip is located 20 miles south of Milwaukee on Highway 45, or two miles north of the Illinois, Wisconsin state line at Union Grove Wis.

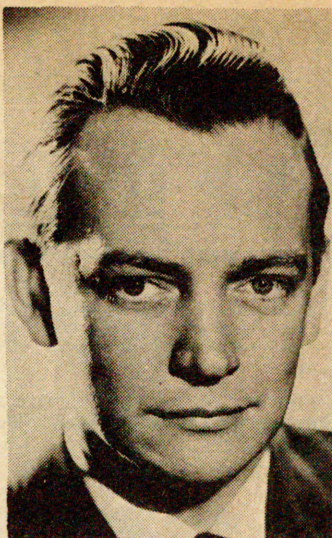

Hoffman has been chairman of the DuPage County Republican Central Committee since 1949 and has been active in the Republican party all of his life. He is a member of Farm Bureau, among many other affiliations.

Barr Dance Offers Fun At Peotone

Mom and Dad are invited to a gala night out at the Peotone Fair Grounds Friday, April 3. The occasion is an old-fashioned "Barr Dance."

Congressional Candidate William G. "Bill" Barr is host of the event. There will be dancing to the music of Gene Victor and his orchestra, starting at 9 p.m. and lasting until 1 a.m.

All Will county adults are invited to attend the affair. Barr, who seeks the GOP nomination to Congress from Will and DuPage Counties is the only Will County candidate in a field of six seeking the nomination. Barr recalls years back when "Barr Dances" were a Will county tradition. His father, the late Senator Richard J. Barr, would have two and three thousand people on hand for dances. They were considered a high point of every political campaign.

CANDIDATE -- Elroy C. Sandquist Jr. is a Republican candidate for the Illinois attorney general nomination. Now a law firm senior partner, Sandquist took leave from 1957 to 1960 to head the civil division of the state's attorney office in Cook County, the one office in Illinois which is closest in operation to that of Attorney General.

Kennel Club Begins New Training

Stone City Kennel Club held graduation of obedience classes March 26 at Francis Field 4-H building. New classes begin April 2.

Classes will be progressive training, a new type of teaching. If a dog is doing better than his classmates, he may be placed in an advanced class. If he needs special help, he may get it without holding up the progress of other dogs.

There will be no need to wait until one training class is thru as new dogs will be accepted each week into training.

For further information, contact Duane Maxwell, director of training, 727-7032.

BGA Endorses Warren Wood For Lt. Gov.

The Better Government Association today announced additional recommendations for contests at the April 14 primary.

Warren L. Wood, of Plainfield Will County, is recommended by the BGA for Republican nomination as Lieutenant Governor, and the BGA made this statement in connection with this race: "The BGA believes legislative experience is important in this position. John A. Graham and Warren L. Wood both have legislative experience and both are considered well qualified. The BGA believes the public interest will best be served, however, if John Graham continues in the State Senate where he is badly needed, and therefore prefers Warren Wood for this position."

Terrel E. Clarke, of Western Springs, is recommended for nomination as Republican candidate for secretary of state.

With respect to Republican candidates for the office of Attorney General, the BGA makes this statement: "Robert R. Canfield, Elroy C. Sandquist, Jr., Jack I. Sperling, and William D. Stiehl are all considered well qualified for the position--no preference."

Offer New Type Siding

A new concept in factory-finished aluminum siding with a 30 year written guarantee is being distributed locally by I. N. R. Beatty Lumber Company.

This revolutionary new aluminum siding, manufactured by AlSCO, Inc., is surfaced with Du Pont Tedlar PVF film. Because Tedlar

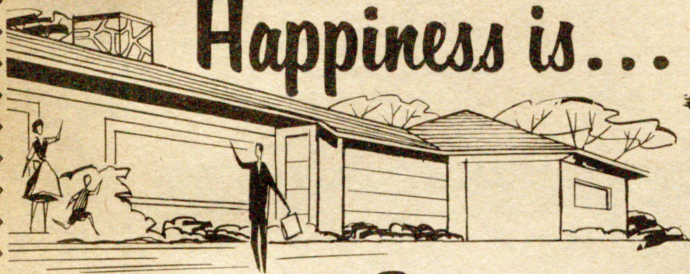

is a film and not a paint, specific and uniform thickness can be controlled giving durability of the highest level. AlSCO claims that TEDLAR is 60 per cent thicker than any baked enamel finish on aluminum siding today. The permanence of the color-life of the film assures the consumer of a

beauty that lasts.

Fifteen years of actual weather exposure plus accelerated weathering tests of pigmented Tedlar in the laboratory have demonstrated the effectiveness of this new approach to exterior finishing.

THE EASY WAY - A new idea in bedding plant packaging — marigolds grown in a "strip" of 12 peat pots, ready to be planted pot'n all in your garden. Easy to separate, no transplanting shock.

Lighting Aids Home Safety

Good lighting is essential for home safety and convenience, even in areas that aren't used as often as others.

Here are some tips for keeping critical areas out of the dark:

A 60-watt fixture every 10 feet will brighten long hallways and any stairway is safer if there's a light at both ends.

In unfinished storage areas, such as the attic, a 100-watt light for every 200 square feet will make things

easier to locate. Every closet should have a light.

Proper lighting should be installed in the laundry, workshop and around basement equipment that needs periodic attention, such as the heating plant.

SPRING MEETING - The officers of the Tinley Park Garden club met recently to make plans for the coming season. They are left to right, Mrs. R. J. Hug, publicity chairman; Mrs. John Panozzo, president; Mrs. Elwood Wilkinson, secretary; Mrs. Mager, hostess; and Mrs. Frank E. Jeffords, treasurer.

Tinley Garden Club Celebrates 37th Year

The Tinley Park Garden club will celebrate its 37th birthday Aug. 24, 1964. Nine charter members are living, four of whom, Mrs. Harry Mager, Mrs. John Swisher, Mrs. John Werth and Mrs. Clara Hug are still active in the club.

Mrs. Martha Goebel, Mrs. Bert Fulton, Mrs. Edmund Moss, Mrs. James Studer and Mrs. Amanda Nielson have resigned as active members.

On Aug. 24, 1927, Mrs. William Funk was elected as the first president. Mrs. Combs was elected vice-president; Mrs. Irma Schousberg, secretary - treasurer. The Iris was adopted as the official club flower.

News of the Garden club's first flower show was publicized in the Tinley Park Times which was started by the late William Semmler about the same time as the Garden club was organized.

The flower show was held in the Community hall, across from Central school. This is now a four apartment building.

Participants came from Tinley Park, Oak Forest, Midlothian, Mokena and Orland Park. A ten pound cabbage took one of the awards that year.

The club received a \$100 donation from local businessmen to purchase a blue spruce tree for the town.

This tree was planted where the Rock Island Railroad depot now stands. Until the tree was removed to make way for the depot, garden club members tended this spot and planted flowers making this a show place for the town. Each Christmas the tree was lighted, further beautifying the area. Club Members now decorate the depot with baskets of flowers.

The club has engaged in many activities over the years including delivery of items to Oak Forest hospital

by Mrs. John Swisher with the assistance of club members.

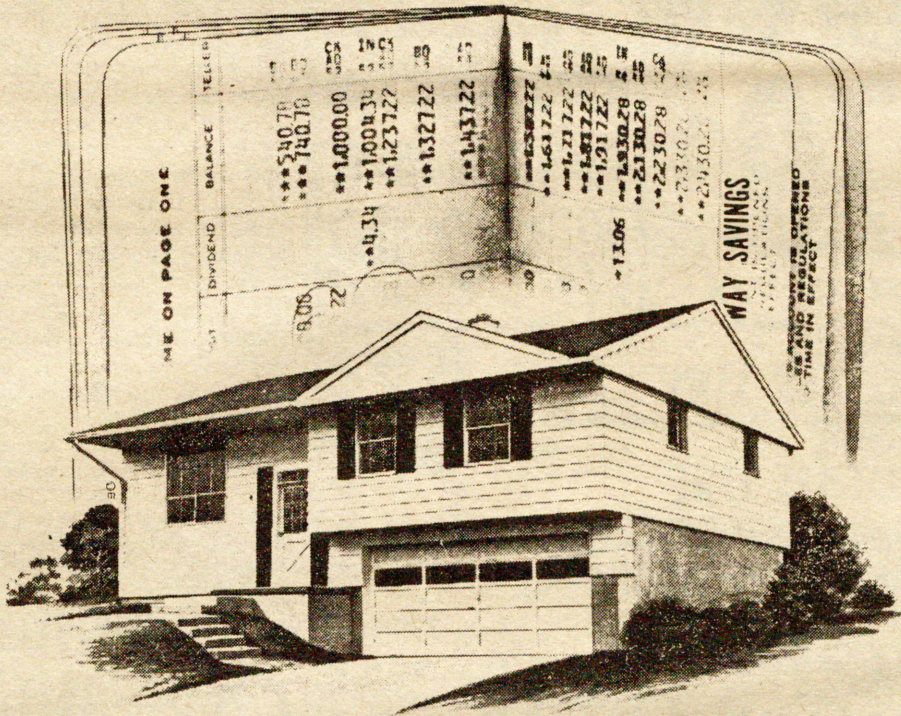

Children in Chicago hospitals also receive gifts from the club. Donations to the recreation commission and

the Tinley Park library are also a part of the club's contributions to the town.

Each year the club sponsors an outdoor decorating contest during the Christmas season that results in many

beautiful displays for the holiday season.

Club members actively participate in flower shows and have earned many first place awards for their efforts.

THE HOUSE THAT GREW OUT OF A BOOK!

The book, of course, was a savings account book! On its pages was written the "success story" of a family that wanted a home of their own. Each deposit was a chapter that carried the story a bit further along toward its happy ending. . . the down payment on the home of their dreams. Let LINCOLN-WAY SAVINGS & LOAN ASSOCIATION put you in a new home with easy monthly payments. Come in and let's discuss it.

PLANNING - The officers of the Mokena Garden club talk over plans for the coming busy season. Left to right are Mrs. Robert Schultz, president; Mrs. Peter Ridderhoff, 2nd vice president; and Mrs. Harold Beebe, 1st vice president. Mrs. Herbert Neef, secretary-treasurer, was not present for the picture. (Graphic Newspapers Photo)

Busy

Gardeners Plan Year At Mokena

BY MRS. HAROLD BEEBE

After two successful years the Mokena Garden club is venturing into its third year full of energy and anticipation. The aim of the club being to sharpen our garden skills and add to the beauty of our community, we will continue to do so. Seeds shall be given to each member and later this summer will bring our results to a meeting. In the past two years we have endeavored to add to the beauty of our community by adding foundation plantings to our new post office and new fire house. Plans are now being formulated to add to, or improve some corner, building or spot in our community.

Programming for the years meetings are being planned to include special interests of everyone. From garden problems to table settings and from conservation to flower arranging with a tour, Christmas decorating contest, and a luncheon to round out the club activities. One of the main events of the clubs calendar year will be hosting the Will

County Federation spring meeting.

Others will be the Christmas decorating contest and possibly a club flower show in the fall. There being a few spare minutes left among the Garden Club members, I'm sure some will be ready to enter in competition their flower arrangements or table settings in other Garden Club sponsored shows to bring home a few more ribbons to add to our growing scrap book. As the name Garden brings to mind beautiful flowers growing, the Mokena Garden Club will grow also. Grow in knowledge of beauty, skills and appreciation of nature's wonderful gifts to mankind.

GOODBYE SMELLS

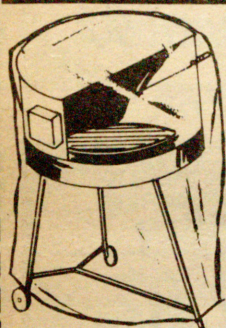

An exhaust fan in the kitchen expels cooking odors, smoke and moisture before they can circulate through the house.

Use Peat Moss

Sure Steps To A Tip-Top Garden

How does YOUR garden grow? Do friends and neighbors compliment you on its beauty and bounty? And does it continue in full dress uniform until frost cuts it down?

Most successful gardeners these days have learned that there are many new methods and materials as well as new varieties of plants that help in achieving such a garden.

One of these materials is peat moss, the nature of which as a soil builder and moisture - holder has long

been recognized. More recently it has come to be used -- in combination with essential nutrients - in the manufacture of pots which, unlike clay pots, allow the roots to penetrate the walls themselves, and which are planted "pot-and all". The latest development in this field is the multiple or "strip" peat moss pot -- several pots lightly fastened together at the rims for use in seed sowing and transplanting. These, placed in light plastic trays, may be

handled as single units until they are torn or cut apart for transplanting or setting out, pot and all, WITH NO DISTURBANCE OF THE GROWING ROOTS.

Another handy and practical help has been developed in the making of light weight but sturdy composition trays or "paks". These replace the old-fashioned wooden flats (great carriers of the fatal damping-off diseases of

seedlings) for seed sowing and transplanting.

The modern method of attaining a successful flower or vegetable garden is:

1. Start the seeds in light-weight, moisture - holding trays, using a standard seed mix which can be purchased or made up at home of 1/3 good garden loam, 1/3 dry, sharp sand and 1/3 slightly moist, pulverized peat moss, measured by BULK and sifted together;

2. Transplant the seedlings to individual or multiple peat moss pots.

3. Finally, for large-sized plants, transplant a second time to large jiffy

peat pots, the nutrient-containing walls of which are penetrated by the hungry roots. When it is time to set these out in the garden, many are already in bloom.

This simplified method has made it much easier for the amateur to grow his own plants from seed, selecting just the types and colors of flowers desired. The inexperienced gardener beginning on a small scale, can get a seed starting kit that includes a composition tray filled with a special soil mix. Seed should be sown thinly and barely covered. Mix very fine seed with fine sand, sprinkle evenly, and merely

press into the surface. Transplant early, before seedlings begin to crowd, using peat pots. Give all the direct sunlight possible, keep soil evenly moist and transfer to a coldframe or outdoor location as soon as danger of frost is over.

For best effects in any garden planting, PLANS SHOULD BE MADE AHEAD, selecting not only the kinds of flowers, but the individual varieties that will provide the sizes, colors and habits of growth that fit into each particular scheme, whether it be a border, a screen, a cutting bed, a window box or a planter.

MATERIALS used in this soil arrangement were Scotch pine and myrtle on a wood base. These materials represent avoiding soil erosion. Arrangement was made by Mrs. Daniel Carlson of Creekside Garden Club.

Garden Clubs Sponsor Conservation Program

Lockport Flower Growers and Creekside Garden Club recently sponsored a conservation program featuring Miss Vivian Rankin of the Illinois Conservation Service.

"George Washington River" was the film shown by Miss Rankin. Film portrayed the river as it was in Washington's time.

History of the Potomac, from its source in the national capitol, Washington D.C., was traced and the effects of raw sewage, refuse, industrial waste, and

detergents explained.

Artistic arrangements, depicting various phases of conservations, were done by members of both clubs.

Garden Clubs of Will County attended this meeting. Miss Rankin conducted a question and answer period after the showing of the film.

READY FOR SPRING -- One of the busiest groups in town this week are the Lemont Garden Clubbers who are planning their spring planting work prior to the season. (From left) working on a seeding flat are Mrs. Daniel Carlson, past president of the Club, Mrs. James Egley a guest, Mrs. Arthur Wunsch, president and Mrs. Zenon Kowalicko, second vice president. (Graphic Newspapers Photo)

National Parks Featured In Garden Club Program

The regular meeting of the Lemont Garden Club was held recently at the home of Mrs. Ignatius Jelinski with Mrs. Max McDowell serving as co-hostess.

Ten members were present for the meeting presided over by Mrs. Arthur W. Wunsch. In the future, the meeting date will be the second Tuesday of the month at 8 p.m.

The president attended the Spring Luncheon Executive Board meeting of the Will County Federation of Garden Clubs on Monday, March 2, at D'Amico's 214 in Joliet.

The annual convention of the Garden Club of Illinois, entitled this year "Yesterday - Today - Tomorrow," will be held April 19-20-21 at the Hotel Morrison in Chicago.

Members are invited to attend to meet the national president, Mrs. J. Gordon Gose of Seattle, Wash.; the

national vice-president, Mrs. Fred Mauntel of Washington, Mo.; and the Central Region director, Mrs. Hazel C. Pettit of Oskaloosa, Iowa, as well as state officers and chairmen.

The program of the evening was presented by Mrs. Harold Petrie, "America, the Beautiful," keyed to the

splendors of our national parks. The slides were taken by the Petrie family on their vacations to the Great Plateau (Grand Canyon and Lake Mead), the Golden West (Yosemite, Sequoia and King's Canyon), and the Rocky Mountains (Yellowstone, Mount Rushmore and Grand Tetons).

To close the evening the hostesses served dessert-coffee from a beautiful table setting in the St. Patrick's theme.

Have Fun When You Feed Birds

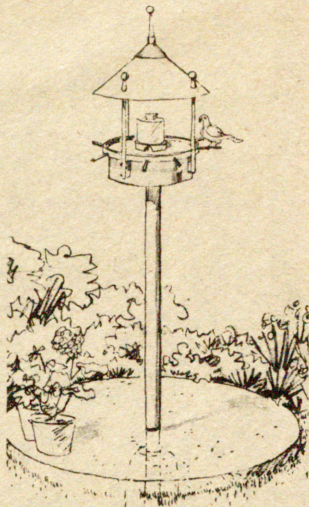

It's a challenge to see how many different types of birds you can attract to the bird feeder. And identifying birds can be an exciting hobby for the entire family. It is at the young age that future outdoor lovers are created.

Nearby shrubs protect small birds: they can dart into this cover. Don't worry about the sparrows; they will be the first to use your bird feeder but they in turn attract flocks of migratory birds.

Don't toss birdseed on the ground -- it's wasteful and it results in moldy seed. Birds like FRESH seed.

Buy a new electric range now and get the wiring free

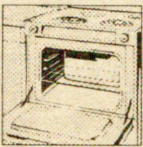

[LIMITED TIME OFFER]

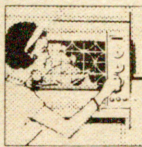

Start enjoying today's great cooking advances at a remarkable saving!

The many new, exciting things about the 1964 electric ranges must be seen to be believed. And, cooking the modern electric way, there's no flame to make dirt. Your kitchen stays cleaner, and cooler, (because only electric ovens are insulated on all 6 sides). Electric surface units clean themselves—pans stay shiny. And electric cooking costs the average family only about 2½ cents a meal.

New features of today's electric ranges

Easy-to-Clean Ovens. All are easy to clean—some are even self-cleaning.

Eye-Level Design. Flameless cooking at the height you like.

Automatic Self-Cleaning Surface Units. Exact temperature control for perfect cooking results.

Some of the many other new features:

Full Capacity Convenience Outlets • Rotisserie Automatic Roast Thermometer • Programmed Cooking • High Speed Surface Cooking • Instant High Speed Broiling

HERE'S WHAT YOU GET FREE:

This special limited-time free wiring offer applies to a new electric range of any make or model. It can help modernize your home wiring and save you a substantial amount of money if your housepower is not up to date. The offer applies to a standard wiring installation for an electric range in any single-family dwelling served by Commonwealth Edison/Public Service Co. Also for a limited time, necessary wiring will be installed free in two- and three-flat apartment dwellings if an electric range is installed in each apartment.

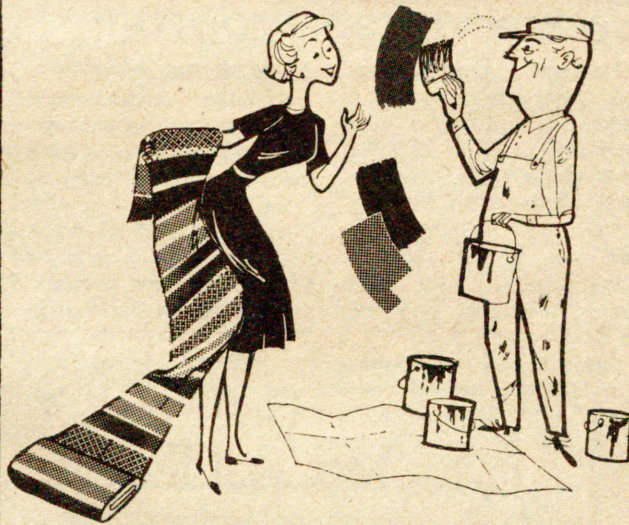

NO MONEY DOWN • SATISFACTION GUARANTEED

Guard Floors When Moving The Furniture

In Spring a homemaker's fancy often turns to thoughts of rearranging furniture.

If you get the urge to reshuffle the furniture, keep the condition of your floors in mind. To help protect them, the floor care experts offer these hints.

When moving furniture, employ the "sock trick." It will prevent scratching the floor. Slip old, woolen socks on the legs of heavy furniture that you move only seldom. Then, scoot the piece across the floor to its new destination. The socks will save wear and tear on both the furniture legs and the floor.

For those pieces of furniture you move more frequently, try the "hat trick." Scissor pieces of felt from an old hat and glue these protectors to the bottom of chair and table legs.

When you rearrange furni-

WIDE CHOICE - Homemakers planning to update the appearance and efficiency of their kitchens this spring have a wide selection of new electric ranges to fit into their plans. The six basic models shown here include: 1) high level electric range with double ovens; 2) free-standing range with one oven at eye level and one below; 3) built-in double ovens for use with separate built-in surface elements; 4) compact one-piece built-in; and 6) free-standing electric range with single large oven.

ture, you expose new areas of your floors to view. The whole floor, but particularly these areas, will need special attention to give the room a bright, clean look.

So before you start rearranging furniture, make sure you have all the proper cleaning and waxing supplies. Here are a few points to keep in mind.

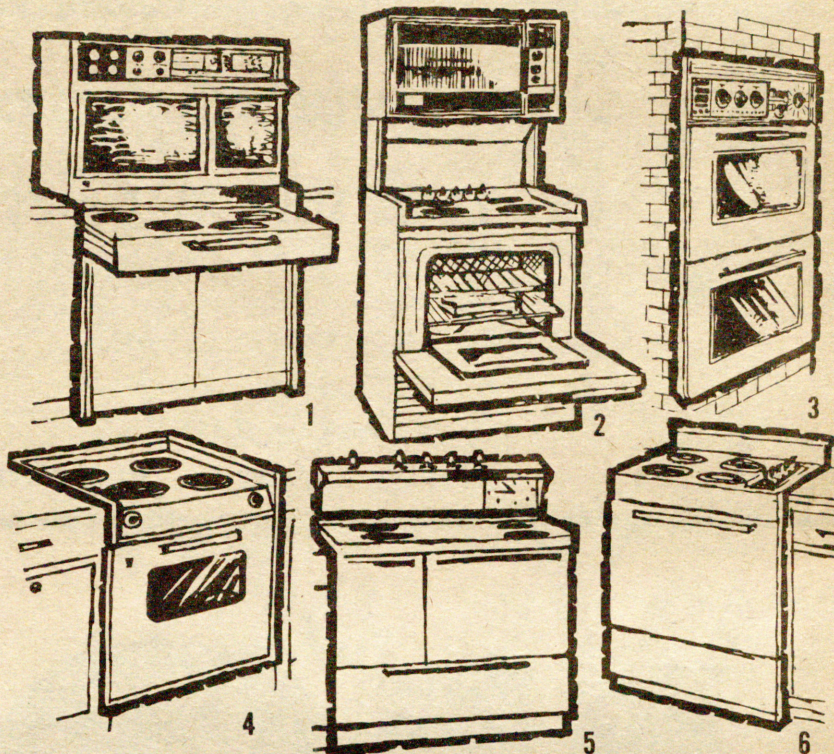

Hardwood floors require a different kind of care from linoleum or vinyl floors. The right way to care for wood floors is the easiest way, Bruce notes. All that is required is cleaning wax because it does two jobs at once. In one operation, cleaning wax not only "dry cleans" the floor, but it also covers it with a protection of wax that wears for months.

Resilient floors -- linoleum, vinyl tile, or any non-wood floor -- require special

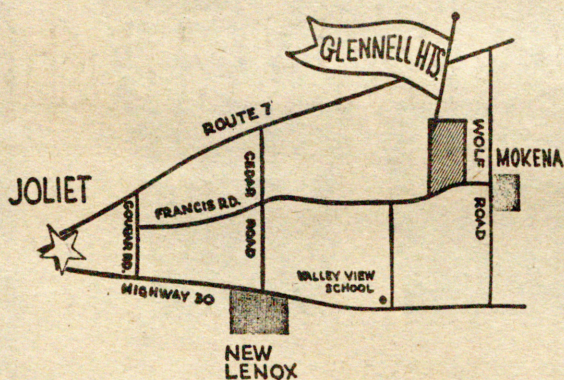

treatment. To put these floors in tip-top shape for the season, you should remove all the old wax that's imbedded with dirt. You can do so easily without scrubbing by using 5-minute wax remover. Afterwards, apply a coat of self-polishing wax and your floor will be a beautiful foundation for your new furniture arrangement.

Ready? It's your move.
